Bruce Lee-Isabel Sanchez Vegara 2019-08-05
Part of the critically acclaimed Little People, BIG DREAMS series, discover the life of Bruce Lee, the martial artist and Hollywood film star. Born in San Francisco but raised in Hong Kong, Bruce Lee was the child star of Hong Kong cinema. But, after getting into trouble as a teenager, his father sent him to live in America. Starring roles were hard to come by for Asian-American actors in Hollywood, but Bruce went on to act in blockbuster hits, featuring his skill as a martial artist. This inspiring book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the great actor's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each

began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Timequake-Kurt Vonnegut 1998-08-01
A New York Times Notable Book from the acclaimed author of Slaughterhouse-Five, Breakfast of Champions, and Cat's Cradle. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-confidence. Should it go on expanding indefinitely? What was the point? There's been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You'll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

The Lost Book of the White-Cassandra Clare 2020-09-01 From #1 New York Times bestselling authors Cassandra Clare and Wesley Chu comes the second book in the Eldest Curses series and a thrilling new adventure for High Warlock Magnus Bane and Alec Lightwood, for whom a death-defying mission into the heart of evil is not just a job, it's also a romantic getaway. The Lost Book of the White is a Shadowhunters novel. Life is good for Magnus Bane and Alec Lightwood. They're living together in a fabulous loft, their warlock son, Max, has started learning to walk, and the streets of New York are peaceful and quiet—as peaceful and quiet as they ever are, anyway. Until the night that two old acquaintances break into Magnus's apartment and steal the powerful Book of the White. Now Magnus and Alec will have to drop everything to get it back. They need to follow the thieves to Shanghai, they need to call some backup to accompany them, and they need a babysitter. Also, someone has stabbed Magnus with a strange magical weapon and the wound is glowing, so they have that to worry about too. Fortunately, their backup consists of Clary, Jace, Isabelle, and newly minted Shadowhunter Simon. In Shanghai, they learn that a much darker threat awaits them. Magnus's magic is growing unstable, and if they can't stop the demons flooding into the city, they might have to follow

them all the way back to the source—the realm of the dead. Can they stop the threat to the world? Will they make it back home before their kid completely wears out Alec's mom?

Last Survivor-Tony Park 2020-06-09 Only a bunch of heavily armed gardeners can save the world's most valuable plant. A priceless plant, a rare African cycad thought to be extinct and prized by collectors, has been discovered, then stolen. Joanne Flack, widowed and broke, is the prime suspect for the crime. While supposedly hiding out in London she single-handedly foils a terrorist plot, killing a lone-wolf gunman. Former mercenary turned CIA contractor, Sonja Kurtz, uncovers a link between the missing plant and the terrorist who tried to kill Joanne. The US Government thinks that if it can find the missing cycad it can foil an attack to rival 9-11. Hot on Joanne's trail is retired US Fisheries and Wildlife Department special agent Rod Cavanagh who knows his plants and knows his target - he's her former lover. Joanne is a member of the Pretoria Cycad and Firearms Appreciation Society. She, Sonja and Rod enlist the help of this group of ageing gardeners and gun nuts to find a plant worth a fortune and the traitor in their midst who is willing to kill for it.

Curious George's Dictionary-The Editors of the American Heritage Dictionaries 2008-08-27 Curious George gets curious about words in this illustrated dictionary designed for children from preschool through kindergarten. In an illustrated introduction to this unique dictionary, Curious George learns how to look up words before embarking on an educational adventure through a vocabulary list chosen specifically for children ages four to six. The dictionary itself presents approximately 600 words, with six words to a page. Each entry is illustrated with a full-color drawing, and more than half of the illustrations include a sample sentence that puts the word in context. At the end of the book, eight full-page features present groups of thematically related words such as colors, shapes, and numbers.

There Was A Light-Rich Tupica 2020-09-22
“...the holy grail of information on Big Star and the late Chris Bell. An oral history spanning 400 pages, *There Was A Light* is exhaustive in its detail and entrancing in its storytelling.” —Under the Radar Available for the first time as a traditional paperback, this revised and updated edition contains new and archival interviews with those closest to Chris Bell and the Big Star circle: their friends, family, former bandmates—even fans, exes, classmates, and coworkers. “Bell’s and Big Star’s existence was short, but the wealth of stories and quotes here provides a healthy sustenance for the truth seekers. A top-notch biography.” —San Francisco Book Review The varied cast of voices—many from the band’s hometown of Memphis—comprises all the members of Big Star, including Chris Bell, the iconic Alex Chilton, Andy Hummel, and Jody Stephens. In the following decades after its 1975 breakup, the obscure group somehow reached and inspired some of rock’s most important bands, including R.E.M., the Replacements, Yo La Tengo, Teenage Fanclub, Beck, and Wilco. With Chris Bell at the center of the Big Star universe, this book carefully reveals the production of the band’s masterful 1972 debut LP, #1 Record, for Ardent/Stax Records. Despite stellar reviews, the record suffered abysmal sales. Soon after, toxic personality conflicts and turmoil tore the band apart while Bell battled drug abuse and depression. *There Was A Light* then delves into Big Star’s second and third albums, while recounting Bell’s second act as a struggling solo musician and born-again Christian. During several trips to Europe, he produced ambitious recordings and pitched himself to record labels—even crossing paths with Paul McCartney. From this fertile era arose Bell’s lone solo album, the posthumously released *I Am the Cosmos*—his swan song and masterpiece. *There Was A Light* details the pop culture phenomenon that made Big Star legendary and divulges how its staunch fanbase saved the band from obscurity. “... an encyclopedic compendium...illuminating Bell’s life from a thousand angles.” —Memphis Flyer
