Garmann's Summer-Stian Hole 2008-03-18 As the summer ends, six-year-old Garmann's three ancient aunts visit and they all talk about the things that scare them, in an award-winning story that ponders fear and courage, life and death, beginnings and endings.

Manga Messiah-Hidenori Kumai 2007 In graphic novel format, retells stories from the gospels of Luke, Matthew, Mark, and John.

The Domain of Images-James Elkins 2018-08-06 In the domain of visual images, those of fine art form a tiny minority. This original and brilliant book calls upon art historians to look beyond their traditional subjects—painting,

drawing, photography, and printmaking—to the vast array of "nonart" images, including those from science, technology, commerce, medicine, music, and archaeology. Such images, James Elkins asserts, can be as rich and expressive as any canonical painting. Using scores of illustrations as examples, he proposes a radically new way of thinking about visual analysis, one that relies on an object's own internal sense of organization. Elkins begins by demonstrating the arbitrariness of current criteria used by art historians for selecting images for study. He urges scholars to adopt, instead, the far broader criteria of the young field of image studies. After analyzing the philosophic underpinnings of this interdisciplinary field, he surveys the entire range of images, from calligraphy to mathematical graphs and abstract painting. Throughout, Elkins blends philosophic analysis with historical detail to produce a startling new sense of such basic terms as pictures, writing, and notation.

Your Life as an Explorer on a Viking Ship-Thomas Kingsley Troupe 2012-01-01 A look at what it was like to be an explorer on a viking ship.

Arlo Finch in the Valley of Fire-John August 2018-02-06 Screenwriter John August's debut novel about a 12-year-old boy who joins a special scout team to learn how to survive in both the wilds of the forest and the magical world that lies within it.

Homophones and Homographs- 2006-07-21 "This expanded fourth edition defines and cross-references 9,026 homophones and 2,127 homographs. This edition serves well where even

the most modern spell-checkers and word processors fail--although rain, reign, and rein may be spelled correctly, the con

The Three Little Pigs-Steven Kellogg
2002-10-15 "Open up, Pork Chop! Or I'll huff and I'll puff and I'll flatten this dump!" Three little pigs are happily working away in their delicious family business -- making the best-tasting waffles in the world. Business is so good, in fact, that the three siblings can live comfortably in their very own homes -- Percy in his straw bungalow, Pete in his log cabin, and Prudence in her brick cottage. Then Tempesto, the meanest wolf on the block, shows up and wants more than waffles for breakfast -- he wants the three little pigs! Here is a zany retelling of a classic folktale from master storyteller Steven Kellogg.

Seduction of the Innocent-Fredric Wertham
2004 Classic work on the impact of comic books on children.

Statistics for Non-Statisticians-Birger Madsen
2011-04-13 This book was written for those who need to know how to collect, analyze and present data. It is meant to be a first course for practitioners, a book for private study or brush-up on statistics, and supplementary reading for general statistics classes. The book is untraditional, both with respect to the choice of topics and the presentation. The topics were determined by what is most useful for practical statistical work: even experienced statisticians will find new topics or new approaches to traditional topics. The presentation is as non-mathematical as possible. Mathematical formulae are presented only if they are necessary for calculations and/or add to readers' understanding. A sample survey is developed as a realistic example throughout the book, and many further examples are presented, which also use data spreadsheets from a supplementary website.

The Brothers Lionheart-Astrid Lindgren
2009-07-02 My brother, Jonathan, knew that I was going to die. 'How can things be so terrible,' I asked. 'That some people have to die, when they're not even ten years old?' 'I don't think it's that terrible,' said Jonathan. 'I think you'll have a marvellous time.' A tender story of courage, love, and life after death.

Vitello Gets a Yucky Girlfriend-Kim Fupz Aakeson
2014-09-23 A new family moves in near Vitello, only they don't have a cool boy for him to play with, just a yucky girl. And it won't be fun to play with a yucky girl and her crazy hamster. Definitely not. Vitello lives in a terraced house by a ring road with his mum, where the traffic is noisy and his friends are annoying. He's had other adventures and been in other scrapes too.

Isadora Moon Goes to School Isadora Moon Goes Camping Isadora Moon Goes to the Ballet Isadora Moon Has a Birthday

Reading with Sounds-W. Murray
2009-07-02 Key Words with Peter and Jane uses the most frequently met words in the English language as a starting point for learning to read successfully and confidently. The Key Words reading scheme is scientifically researched and world renowned. Book 6c provides the link with writing for the words used in Readers 6a and 6b. Once this book has been completed, the child moves on to book 7a. The Key Words with Peter and Jane books work because each of the key words is introduced gradually and repeated frequently. This builds confidence in children when they recognise these key words on sight (also known as the 'look and say' method of learning). Examples of key words are: the, one, two, he. There are 12 levels, each with 3 books: a, b, and c. Series a: Gradually introduces new words. Series b: Provides further practise of words featured in the 'a' series. Series c: Links reading with writing and phonics. All the words that have been introduced in each 'a' and 'b' book are also reinforced in the 'c' books.

Help Your Kids With Maths-Carol Vorderman
2010-07-01 A simple, visual approach to helping

your child understand maths Reduce the stress of studying maths and help your child with their homework, following this unique visual guide which will demystify the subject for everyone. Using clear, accessible pictures, diagrams and easy-to-follow step-by-steps - and covering everything from basic numeracy to more challenging subjects like statistics and algebra - you'll learn to approach even the most complex maths problems with confidence. Includes a glossary of key maths terms and symbols. The perfect guide for every frustrated parent and desperate child, who wants to understand maths and put it into practice.

Nothing More-Anna Todd 2016-09-20 Landon Gibson as he leaves Washington to navigate love and life in New York City.

My Social Stories Book-Carol Gray 2002 Takes autistic children step by step through such activities as using the toilet, brushing their teeth, and wearing a safety belt in the car.

A First Guide to Statistical Computations in R-Torben Martinussen 2011-12-12 R is a statistical computer program used and developed by statisticians around the world. It is probably the leading statistical program, at least among statisticians, and it is freely available. A First Guide to Statistical Computations in R is intended for the newcomer who wants to do statistical analysis with R and needs a guide to get started. The book focuses on statistical data problems that are often encountered within the biosciences. It puts special emphasis on linear models and analysis of repeated measurements data, but also deals with binary data and survival data, among others. Problems are presented and solutions - along with the corresponding OR code and output - are provided. The guide is divided into two parts: the first part on R basics and the second part on the statistical analyses using R. Various datasets are used for illustration and they are all available in the R package `Guide1data`.

The Children's Bible-Anne de Vries 1996

Building Student Literacy Through Sustained Silent Reading-Steve Gardiner 2005

Offers research studies that validate sustained silent reading as a successful way to help build the literacy skills of students at all ability levels, including ESL students.

Anna's Heaven-Stian Hole 2014-09-08 After the death of her mother, Anna and her father imagine that Heaven might be a place where one can help in God's garden, visit with old friends, and take off one's socks whenever one pleases.

Siegfried-Alex Alice 2017-06-21 The breathtaking conclusion to master storyteller Alex Alice's groundbreaking adaptation of Wagner's Ring of the Nibelung opera cycle brings the ancient Norse legend to life with spellbinding artistry. Young Siegfried has made it to the Land of Mists and now must face the great Dragon Fafnir at last and fight for the survival of mankind, no matter what the sacrifice.

The Explosive Child-Ross W. Greene 2005 Offers techniques for helping chronically inflexible children, shows how brain-based deficits contribute to these problems, and suggests ways to calm things down.

The Fire Child-S.K. Tremayne 2017-03-28 THE PERFECT HUSBAND. THE PERFECT STEPSON. THE PERFECT LIE? "Tremayne...does a terrific job of building suspense until events reach their climax in the midst of a violent storm." - Library Journal When Rachel marries dark, handsome David, everything seems to fall into place. Swept from single life in London to the beautiful Carnhallow House in Cornwall, she gains wealth, love, and an affectionate stepson, Jamie. But then Jamie's behavior changes, and Rachel's perfect life begins to unravel. He makes disturbing predictions, claiming to be haunted by the specter of his late mother - David's previous wife. Is this Jamie's way of punishing Rachel, or is he far more traumatized than she thought? As Rachel starts digging into the past, she begins to grow suspicious of her husband. Why is he so reluctant to discuss Jamie's outbursts? And what exactly happened to cause his ex-wife's untimely death, less than two years ago? As summer slips away and December looms, Rachel begins to fear there might be truth in Jamie's words: "You will be dead by Christmas."

Vitello Wants a Dad-Kim Fupz Aakeson

2014-09-23 Vitello never gets to see his dad and needs a decent one to show off to his friends. But where does one borrow a dad? Vitello lives in a terraced house by a ring road with his mum, where the traffic is noisy and his friends are annoying. He's had other adventures and been in other scrapes too.

Night Guard-Synne Lea 2016-04-22 "This poetry collection explores important concepts such as friendship, fear, and loneliness"--

I've Got My Period. So What?-Clara Henry

2017-08-15 Your period. What is it, really? And why is it so embarrassing to walk to the bathroom hiding a tampon in your sleeve? Comedian and Scandinavian YouTube sensation Clara Henry has the answers to all your burning questions about bleeding. Have you always wondered what menstruation is, why it causes terrible cramps, or why it makes you want to do nothing but eat chocolate and watch cute cat videos? Have you been shocked that it's taboo to talk about something that half the world's population goes through every month? And above all, have you been looking for the best snarky response to the question "Are you on your period, or what?" Whether you're expecting your first period, have already gotten it, or know someone close to you who's just begun the torment, this funny and informative book will tell you everything you need to know. In a funny, powerful, and entertaining voice, this book covers important terms, types of sanitary protection, and the history of menstruation and women's fight for equal access to reproductive healthcare. And if you suddenly find yourself hankering for chocolate or cute animals? Well. Welcome to the period club.

Raising Human Beings-Ross W. Greene

2017-08-15 The renowned child psychologist explains how to cultivate a better parent-child relationship while also nurturing empathy, honesty, resilience, and independence. Parents have an important task: figure out who their child is--his or her skills, preferences, beliefs, values, personality traits, goals, and direction--get comfortable with it, and then help him or her pursue and live a life that is congruent with it. But parents also want to have influence. They

want their kid to be independent, but not if he or she is going to make bad choices. They don't want to be harsh and rigid, nor do they want a noncompliant, disrespectful kid. They want to avoid being too pushy and overbearing, but not if an unmotivated, apathetic kid is what they'll have to show for it. They want to have a good relationship with their kid, but not if that means being a pushover. They don't want to scream, but they do want to be heard. Good parenting is about striking the balance between a child's characteristics and a parent's desire to have influence. Now, Dr. Ross Greene offers a detailed and practical guide for raising children in a way that enhances relationships, improves communication, and helps kids learn how to resolve disagreements without conflict. Through his well-known model of solving problems collaboratively, parents can forgo time-out and sticker charts; stop badgering, berating, threatening, and punishing; allow their kids to feel heard and validated. From homework to hygiene and curfews to screen time, *Raising Human Beings* arms parents with the tools they need to raise kids in ways that are non-punitive and non-adversarial to bring out the best in both parents and children.--Adapted from dust jacket.

Iqbal Farooq and the Guiding Star-Manu Sareen

2013-12-06 This is a very different Christmas story. Meet Iqbal Farooq and his family - for the first time in English: It is December 24th and Iqbal's dad just got a great idea: "Let's have the biggest and most spectacular Christmas tree in the whole building. No, in the whole neighbourhood," Dad shouted. But since his idea involves Iqbal's crazy uncle Rafiq, it probably means trouble. Manu Sareen is the author behind the politically incorrect children's books about Iqbal and his immigrant family's life in multicultural Nørrebro in Copenhagen, Denmark. Manu Sareen is also a well known politician and has served as Danish national congress member. This book is published in fixed layout.

The Mummy Mystery #5-Martin Widmark

2015-05-26 What's going on at the art museum in Pleasant Valley? Did the Egyptian mummy really come to life after 3,000 years? The terrified night watchman claims that he saw the mummy walking around the museum. The very same night, the most valuable painting in the museum was cut out of its frame. Once again, young

detectives Jerry and Maya are called in by the chief of police to get to the bottom of the strange and spooky events.

Pippi Moves In-Astrid Lindgren 2012-10-02
THE LOST MASTERPIECE FROM ASTRID LINDGREN'S CHILDREN'S CLASSIC Pippi Moves In marks the first time that the legendary Pippi Longstocking comics by the famed children's author and creator Astrid Lindgren and Danish illustrator Ingrid Vang Nyman will be published outside of Scandinavia in thirty years, as well as their first ever publication in English. The outspoken strong-girl with the carrot-colored pigtails and the mismatched socks has enthralled generations of children the world over with her fabulous exploits at Villa Villekulla, where she lives with her horse and monkey. Countless translations of the chapter books are available in more than sixty languages. Pippi is Sweden's best-known children's export, making it all the more remarkable that D+Q has discovered what will be a three-volume series. The comics are re-imaginings of the classic chapter book stories and were originally published in the Swedish magazine Humpty Dumpty in 1957-1959, a decade after the original books. The comics spotlight both Lindgren's brilliant writing and Vang Nyman's bold bright colors that seem presciently and eerily modern. The original illustrator for the chapter books, Vang Nyman was an avant-garde champion of the importance of children's literature who insisted that art in

children's books needed to meet the same esthetic standards as art in any other medium. Sadly Vang Nyman never achieved international success, and tragically committed suicide in 1959 due to mental health issues, while Lindgren went on to become one of the world's best-loved writers with more than 145 million books sold worldwide. Similar to D+Q's 2005 unearthing of the Tove Jansson's Moomin comic strip, which has more than 100,000 units in print, these mid-century classics are waiting to be discovered and enjoyed by the world's legions of Pippi fans, both young and old.

Manga Mania-Christopher Hart 2007-09-30
Explains how to draw manga style comics, discussing the difference between manga and Western styles, how to string a panel together, and how to draw characters, genres, robots, and poses.

One of Us Is Sleeping-Josefine Klougart 2016-07-12
A best-selling novel of a failed relationship; about leaving and being left behind, loss, homelessness, and light.

Napoleon-Lucy Lethbridge 2005-06-01
Sent to a military school at nine, Napoleon rapidly rose through the ranks of the French Army. But a brilliant military career wasn't enough. Soon, he had seized control of France and then he embarked upon a plan to rule all of Europe.
