**Revolution**-Katie Brown  
2019-06-01 In contrast to recent theories of the 'global' Latin American novel, this book reveals the enduring importance of the national in contemporary Venezuelan fiction, arguing that the novels studied respond to both the nationalist and populist cultural policies of

the Bolivarian Revolution and Venezuela's literary isolation. The latter results from factors including the legacy of the Boom and historically low levels of emigration from Venezuela. Grounded in theories of metafiction and intertextuality, the book provides a close reading of eight novels published between 2004 (the year in which the first Minister for Culture was appointed) and 2012 (the last full year of President Chávez's life),

relating these novels to the context of their production. Each chapter explores a way in which these novels reflect on writing, from the protagonists as readers and writers in different contexts, through appearances from real life writers, to experiments with style and popular culture, and finally questioning the boundaries between fiction and reality. This literary analysis complements overarching studies of the Bolivarian Revolution by offering an insight into how Bolivarian policies and practices affect people on an individual, emotional and creative level. In this context, self-reflexive narratives afford their writers a form of political agency.

**Telenovelas in Pan-Latino Context**-June Carolyn Erlick 2017-10-02 This concise book provides an accessible overview of the history of the telenovela in Latin America within a pan-Latino context, including the way the genre crosses borders between Latin America and the United States. Telenovelas, a distinct variety of soap operas

originating in Latin America, take up key issues of race, class, sexual identity and violence, interweaving stories with melodramatic romance and quests for identity. June Carolyn Erlick examines the social implications of telenovela themes in the context of the evolution of television as an integral part of the modernization of Latin American countries.

**Telenovela adentro**-Carolina Acosta-Alzuru 2016-06-02 "Telenovela adentro" es un texto que se mete bajo la piel del género televisivo más visto y, a la vez, más desdeñado. Es una invitación a navegar con su autora por los teclados de los escritores, los pasillos de producción y las paradojas del consumo de estos melodramas. Este es un viaje al esplendor, a la pasión y a la angustia que suscitan las telenovelas alrededor del mundo. Pero también es una mirada sostenida sobre la telenovela venezolana, los factores que la llevaron a difuminarse en el mercado internacional y las consecuencias de su significativa reducción.

"Telenovela adentro" es un libro profundamente reflexivo. Al colocar a la telenovela sobre su mesa de disección, Carolina Acosta-Alzuru abre una ventana a la trastienda de sus 16 años de investigación y muestra su motivación, rigor, métodos, retos y satisfacciones a través de capítulos de variados registros e inquebrantable honestidad. El resultado es un texto íntimo, cálido y con sólidos asideros académicos.

**Las mil y una telenovelas-  
ABSATZ CECILIA 2015-06-05**

Las telenovelas siguen mostrando al mundo un sorprendente poder de seducción y la capacidad de reflejar a su manera la evolución de la cultura. Propone matrimonios múltiples en Occidente y mujeres independientes en Oriente. Puede convertir un texto milenario en pasión de multitudes y hacer una obra

maestra con un cuento para niños. A veinte años de Mujeres peligrosas. La pasión según el teleteatro, Cecilia Absatz vuelve a sorprendernos con un ensayo brillante y peleador. El rotundo éxito de Avenida Brasil y ahora el de Las mil y una noches, con el que Turquía entra a competir en el mercado de las telenovelas de calidad, hizo insoslayable la pregunta por la vigencia de las reglas y características que se consideran clásicas del género. Muchas cosas han cambiado. Nina, en Avenida Brasil, cumple con todos los requisitos de una heroína hasta que se vuelve un demonio, más cruel que la villana. El héroe de Las mil y una noches, Onur, es un misógino. ¿Por qué algunas novelas tienen éxito y otras no? Cecilia Absatz, fabulosa analista y admiradora de la esencia del género, se anima a afirmar: «Como dice Milan Kundera, la mujer sólo puede ser feliz con un misógino». «El erotismo sigue ausente de las telenovelas. El público comenzó a aburrirse del sexo y se erotizó con el dinero». «En los tiempos de la corrección política, el

sadomasoquismo romántico podría entenderse como una nostalgia del machismo». «La corrección política reventó el lenguaje con eufemismos y mariconadas». «El sexo virtual es un sistema de erotismo bastante difundido al que nadie llama masturbación».

**Delirium**-Laura Restrepo 2007-04-03 In this remarkably nuanced novel, both a gripping detective story and a

passionate, devastating tale of eros and insanity in Colombia, internationally acclaimed author Laura Restrepo delves into the minds of four characters. There's Agustina, a beautiful woman from an upper-class family who is caught in the throes of madness; her husband Aguilar, a man passionately in love with his wife and determined to rescue her from insanity; Agustina's former lover Midas, a drug-trafficker and money-launderer; and Nicolás, Agustina's grandfather. Through the blend of these distinct voices, Restrepo creates a searing portrait of a society battered by war and corruption, as well as an intimate look at the daily lives of people struggling to stay sane in an unstable reality.

**The Underdogs**-Mariano Azuela 2019-04-17 Renowned as the greatest novel of the Mexican Revolution, *The Underdogs* recounts a young peasant's recruitment into Pancho Villa's army. Demetrio Macías is compelled to defend his home from attacks by the Federales who serve Mexico's hated dictator. Forced into a fugitive existence, he

encounters a rebel band and becomes their charismatic leader, shaping the vagabonds into a dynamic guerrilla force. The unit is further strengthened by an unlikely ally, the aristocratic intellectual Luis Cervantes, whose revulsion at the country's rampant social injustice has turned him against the government. But the escalating violence and harsh realities of war erode Demetrio's and Cervantes' idealism, undermining their alliance and leading to their ultimate disillusionment. Mexican author and physician Mariano Azuela González (1873-1952) drew upon his experiences as a medic with Villa's troops to create this iconic work of Latin American literature. Prized for its authentic representation of Mexican peasant life, the novel offers a timeless portrayal of revolutionary zeal and disenchantment.

**Targeted Cyber Attacks-**  
Aditya Sood 2014-04-18  
Cyber-crime increasingly impacts both the online and offline world, and targeted attacks play a significant role

in disrupting services in both. Targeted attacks are those that are aimed at a particular individual, group, or type of site or service. Unlike worms and viruses that usually attack indiscriminately, targeted attacks involve intelligence-gathering and planning to a degree that drastically changes its profile. Individuals, corporations, and even governments are facing new threats from targeted attacks. Targeted Cyber Attacks examines real-world examples of directed attacks and provides insight into what techniques and resources are used to stage these attacks so that you can counter them more effectively. A well-structured introduction into the world of targeted cyber-attacks Includes analysis of real-world attacks Written by cyber-security researchers and experts

**Shakira**-Ximena Diego 2002-01-10 Hace años que los entendidos venían pronosticando el exitoso crossover de Shakira. La cantante firmó su primer contrato discográfico a los trece años, grabó su segundo álbum a los quince y actuó en una telenovela popular en su Colombia natal. Tenía solamente diecinueve años cuando su tercer álbum, Pies descalzos, la convirtió en la artista de mayor venta en Latinoamérica. Si bien su siguiente álbum, Dónde están los ladrones?, ganó ocho discos de platino en Estados Unidos, no fue hasta su actuación electrizante en la primera entrega de los Premios Grammy Latinos que llamó la atención de todo el

país. Aunque el éxito le llegó a una edad tan temprana, a los veinticuatro años Shakira tiene los pies firmes sobre la tierra y rechaza los estereotipos que rodean a las estrellas de rock. Ella es una católica devota, vive con sus padres y cuando no está grabando o de gira prefiere pasar el tiempo con su familia. Esta rockera es una de las pocas estrellas que combinan talento, carisma y sensibilidad, y que además saben muy bien lo que quieren. Para la cantante más fascinante de América Latina desde Ricky Martin, las posibilidades son ilimitadas. Para los millones de personas que ya compran sus discos, Shakira representa la voz de la nueva generación.

**Atlas Shrugged**-Ayn Rand  
2005-04-21 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated

as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all

**Mi Despertar**-Aline 2001-12

Una vez más, el escándalo involucra a Gloria Trevi y Sergio Andrade. Hace algún tiempo, la publicación de Aline, la Gloria por el Infierno provocó reacciones de todo tipo entre la sociedad y el medio artístico. Dos de sus pilares, Gloria Trevi y Sergio Andrade, fueron acusados y se vieron "tocados" por las conmovedoras revelaciones de Aline. Ahora Aline comparte con sus lectores todo aquello que sucedió en su vida en ese lapso. Relata en detalle cómo le han afectado estas relaciones y cómo ha podido superar los traumas producto de ese tormentoso pasado. Cuando habla de despertar, Aline se refiere al momento en que decide escaparse definitivamente de la casa-cárcel donde Andrade la mantenía junto a otras muchachas, lo cual ella define como su liberación total y el despertar a una nueva vida.

**Culture of Class-**Matthew B. Karush 2012-05-15 Major change came to Argentina during the first decades of the twentieth century. Following the mass influx of European immigrants to the country during the beginning of the century, a truly national culture was produced through mass media, facilitating the assimilation of immigrants and their descendants. New forms of media emerged, such as radio and cinema, as did new forms of entertainment, such as tango songs, films, and radio theater. Yet despite the unifying effect of popular

culture, the nation remained divided, and, if anything, more so in 1950 than in 1910. This book argues that the key to understanding this paradox lies in a reassessment of the mass culture of the 1920s and 1930s. With a focus on film and radio in and around Buenos Aires, the locus of production as well as much of the market consumption, Karush shows how integration and class fractures occurred simultaneously in a short span of the country's history. He brings together the usually separated subjects of radio and cinema to show how they can combine to gauge a larger cultural and political environment and shed light on class distinctions. The book contributes to an ongoing discussion of the relationship between power and mass culture. It will be of interest to scholars of cultural history and urban studies and those interested in Latin American history and culture.

**Mister Tonight**-Kendall Ryan  
2018-06-18 Last night was the most embarrassing night of my life. I was that girl. You know, the highly intoxicated chick celebrating her thirtieth birthday with her two best friends—who are happily married. And the more I drank, the more I wanted to do something reckless to celebrate. By reckless, I mean the sexy and alluring man dressed in a business suit standing near the bar. You know his type—tall, dark, handsome. I was sure he was out of my league, but I'd had just enough alcohol that things like that no longer seemed to matter. I'm not fat,

mind you, but you can tell I like french fries, so there's that. He took me home, and I enjoyed the hottest birthday sex of my life. Well, until it came to a screeching and rather unwelcome halt. There's nothing quite like being interrupted mid-ride with a little voice asking, "What are you doing to my daddy?" Just kill me now . . . or so I thought. Come to find out, the man I rode like a bull at the rodeo is my new landlord.
