An Unrestored Woman-Shobha Rao 2016-03-15 “What an astonishing collection! Provoking, ferocious, moving, splendid, generous and essential. I seemed to finish the book in a different world than the one in which I began it.” —Kelly Link, author of Get In Trouble and Stranger Things Happen In her mesmerizing debut, Shobha Rao recounts the untold human costs of one of the largest migrations in history. 1947: the Indian subcontinent is partitioned into two separate countries, India and Pakistan. And with one decree, countless lives are changed forever. An Unrestored Woman explores the fault lines in this mass displacement of humanity: a new mother is trapped on the wrong side of the border; a soldier finds the love of his life but is powerless to act on it; an ambitious servant seduces both master and mistress; a young prostitute quietly, inexorably plots revenge on the madam who holds her hostage. Caught in a world of shifting borders, Rao’s characters have reached their tipping points. In paired stories that hail from India and Pakistan to the United States, Italy, and England, we witness the ramifications of the violent uprooting of families, the price they pay over generations, and the uncanny relevance these stories have in our world today.

Indian Sex Life-Durba Mitra 2020-01-07 "During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--

It's a life that many judge easily ... until you know more. Sita Kaylin, a California-based veteran in the sex industry, has lived the pitfalls of being naked in front of strangers and the absurdities that arise when you fake intimacy for a living. There, a roommate turned her on to stripping, revealing a way out of the crushing financial pressures she felt and her struggles as a pre-law student with very little time or energy sto study. She had no idea how wild her journey would become and what a large part of her life it would be. Sita's stories take shape through an often altered, occasionally sarcastic, sometimes illegal and frequently funny magnifying glass she holds up to not just the sex industry, but also to human needs and desires, modern relationships, mental health, personal independence. Paul O'Rourke is a man made of contradictions: he loves the world, but doesn't know how to live in it. He's a Luddite addicted to his iPhone, a dentist with a nicotine habit, a rabid Red Sox fan devastated by their victories, and an atheist not quite willing to let go of God. Then someone begins to impersonate Paul online, and he watches in horror as a website, a Facebook page, and a Twitter account are created in his name. What begins as an outrageous violation of his privacy soon becomes something more soul-frightening: the possibility that the online "Paul" might be a better version of the real thing. As Paul's quest to learn why his identity has been stolen deepens, he is forced to confront his troubled past and his uncertain future in a life disturbingly split between the real and the virtual. At once laugh-out-loud funny about the absurdities of the modern world, and indelibly profound about the eternal questions of the meaning of life, love and truth, TO RISE AGAIN AT A DECENT HOUR is a deeply moving and constantly surprising tour de force.

Gandhi: The Years That Changed the World, 1914-1948-Ramachandra Guha 2018-10-02 Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, Gandhi: The Years That Changed the World, 1914-1918 traces the Mahatma's life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi's struggle to deliver India from British rule, to forge harmonious relations between India's Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India's economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary

Playing It My Way-Sachin Tendulkar 2014-11-06 The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India’s highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster’s excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India’s batting line-up, his every move watched by a cricket-mad nation’s devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

The Muslimah Sex Manual-Umm Muladhat 2017-07-02 Two years ago, I was congratulating a young Muslimah on her engagement. She was thrilled about starting married life and you could see the happiness emanating from her as everyone gave her their best wishes.A few months later, I could tell something was wrong.After some cajoling, she shyly admitted the truth. Her sex life was horrible. In fact, it was fast becoming non-existent. She had been a model Muslimah her entire life. Before marriage, she had never so much as held a non-mahram's hand, let alone become physically intimate with one. She had eagerly looked forward to marriage as a chance to finally indulging in all the physical intimacy she had postponed for the sake of Allah.But it wasn't working.Coming from the medical field, she knew all the relevant biology. She could draw and label all the parts of male and female anatomy. She had taken fiqh classes and knew the legal rulings of menstruation and intercourse.But she didn't know sex.Oh, she knew the mechanics. Insert penis into vagina. Climax. Withdraw. But she didn't know how to make her husband yearn for her in bed. She didn't know what he liked. She didn't even know what she liked! They had begun eagerly but after a few weeks, realized that neither of them was truly enjoying having sex with each other.And so began my impromptu sex skills workshop. I threw at her all the information I'd gathered over years of marriage. Things I'd learned from experience, tidbits I'd gleaned from friends, tips I'd picked up from magazine articles. One thing here, two things there. All those bits had accumulated into a very healthy and robust sex life between me and my husband. I gave her everything, fervently hoping that it would help her in her marital life.A month later, I saw her again. This time she had a gigantic smile on her face. "Please, write this down and share it with other Muslim girls. No one teaches this. We're thrown into marriage and only know the fiqh and the biology."I wrote down everything I told her on a Word document and emailed it to her. She shared it with her friends who were newly married. They shared it with their friends. Before long, word trickled back to me that people were asking me to write a book on the subject.So here it is.

The Sex Diaries-Bettina Arndt 2009 'From the time I started working as a sex therapist back in the early 1970s, people have been talking to me about their sex lives. What I hear about most is the business of negotiating the sex supply. How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep?' In *The Sex Diaries* Australia's leading sex therapist, Bettina Arndt, uncovers the night-time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together, most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries, revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex. With her characteristic humour and insight, Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships.
