The Stars Within-Nicole Mary Kelby 2015-12 Two wars, two generations, two great loves--THE STARS WITHIN is a suspenseful tale of mothers and daughters and secrets. Lucienne has discovered a black hole as mysterious as the secrets in her own life. Her mother, a scientist as well, disappeared during World War II and was thought to be a Nazi collaborator. Lucienne never knew for sure what crimes her mother had committed but while in Paris their lives unravel around the appearance of a mysterious doctor, and the truth must be discovered before it's too late for them both.

Redemption of the Duke-Gayle Callen 2014-04-29 A duke who needs to be tamed . . . a lady who refuses to be rescued. Adam Chamberlin was the third son of a duke, known for gambling binges and drunken nights. No one expected anything of him . . . until tragedy strikes. Now Adam is the new Duke of Rothford, determined to right the wrongs he's done. Except a secret in his past means helping the one woman who doesn't want his help at all . . . It's not every day that a duke introduces himself to a woman sitting by herself in Hyde Park. Faith Cooper is even more surprised when Adam offers her a position as a lady's companion to his elderly aunt. Faith refuses to be beholden to a man again—certainly not this man, who both infuriates and attracts her. But with passion simmering between them, will Faith surrender to forbidden desire?

Resonance and Reciprocity-Jason Maratos 2013-03-07 This collection of papers, published between 1976 and 2003, traces the innovative connections which the eminent group analyst Dennis Brown made between medicine and psychoanalysis. They reveal his important insights into how the principles of group analysis can improve our understanding of philosophy and ethics, and trace the development of trans-cultural dimensions of group analysis. Beginning with Dennis' early work in dermatology, the first section of Resonance and Reciprocity provides a fascinating overview of the insights gained into psychosomatic conditions through the application of psychoanalysis and group analysis. The second section builds on the tenet of group analysis that therapy should change the therapist as well as the client, addressing the changes that can take place in the therapeutic milieu, both in client and provider. The chapter on drowsiness, a modern classic, provides a significant contribution to our understanding of the emotional and physical changes that the therapist experiences during analysis, and its wider implications for our appreciation of how changes in mental and physical states are affected by a person's emotional world. The final section reveals how Dennis Brown extended his interest and his activities beyond the individual, the small and the large group, and studied groups within and across cultures. This book provides not only a solid understanding of complex analytical notions but also opens the road for future development. It will appeal to students and professionals in psychoanalysis, psychotherapy and group psychotherapy.

Hideout (Swindle #5)-Gordon Korman 2013-01-01 The Man With The Plan and his friends return in this fifth romp in the Swindle series! HIDEOUT: a place to escape detection, especially when being chased by someone determined to have revenge. . . When Griffin Bing and his friends first met Luthor, he was a vicious attack dog working for the slimy S. Wendell Palomino - as known as Swindle. The kids rescued Luthor, and never thought they'd see Swindle again. But now Swindle's returned. And he wants his dog back. Swindle has manipulated the law so that there's no way for Savannah Drysdale to keep Luthor in her house. Before he can be taken away, they decide to made him disappear - away from Swindle. Six kids. Three hideouts. One extremely large dog. What could possibly go wrong?

The Cornbread Mafia-James Higdon 2019-05-01 In the summer of 1987, Johnny Boone set out to grow and harvest one of the greatest outdoor marijuana crops in modern times. In doing so, he set into motion a series of events that defined him and his associates as the largest homegrown marijuana syndicate in American history, also known as the Cornbread Mafia. Author James Higdon—whose relationship with Johnny Boone, currently a federal fugitive, made him the first journalist subpoenaed under the Obama administration—takes readers back to the 1970s and '80s and the clash between federal and local law enforcement and a band of Kentucky farmers with moonshine and pride in their bloodlines. By 1989 the task force assigned to take down men like Johnny Boone had arrested sixty-nine men and one woman from busts on twenty-nine farms in ten states, and seized two hundred tons of pot. Of the seventy individuals arrested, zero talked. How it all went down is a tale of Mafia-style storylines emanating from the Bluegrass State, and populated by Vietnam veterans and weed-loving characters caught up in Tarantino-level violence and heart-breaking altruism. Accompanied by a soundtrack of rock-and-roll and rhythm-and-blues, this work of dogged investigative journalism and history is told by Higdon in action-packed, colorful and riveting detail.

The Great Railroad Revolution-Christian Wolmar 2012-09-25 America was made by the railroads. The opening of the Baltimore & Ohio line--the first American railroad--in the 1830s sparked a national revolution in the way that people lived thanks to the speed and convenience of train travel. Promoted by visionaries and built through heroic effort, the American railroad network was bigger in every sense than Europe's, and facilitated everything from long-distance travel to commuting and transporting goods to waging war. It united far-flung parts of the country, boosted economic development, and was the catalyst for America's rise to world-power status. Every American town, great or small, aspired to be connected to a railroad and by the turn of the century, almost every American lived within easy access of a station. By the early 1900s, the United States was covered in a latticework of more than 200,000 miles of railroad track and a series of magisterial termini, all built and controlled by the biggest corporations in the land. The railroads dominated the American landscape for more than a hundred years but by the middle of the twentieth century, the automobile, the truck, and the airplane had eclipsed the railroads and the nation started to forget them. In The Great Railroad Revolution, renowned railroad expert Christian Wolmar tells the extraordinary story of the rise and the fall of the greatest of all American endeavors, and argues that the time has come for America to reclaim and celebrate its often-overlooked rail heritage.

And Yet...-Christopher Hitchens 2015-11-24 The seminal, uncollected essays—lauded as “dazzling” (The New York Times Book Review)—by the late Christopher Hitchens, author of the #1 New York Times bestseller God Is Not Great, showcase the notorious contrarian’s genius for rhetoric and his sharp rebukes to tyrants and the ill-informed everywhere. For more than forty years, Christopher Hitchens delivered essays to numerous publications on both sides of the Atlantic that were astonishingly wide-ranging and provocative. His death in December 2011 from esophageal cancer prematurely silenced a voice that was among the most admired of contemporary voices—writers, readers, pundits and critics the world over mourned his loss. At the time of his death, Hitchens left nearly 250,000 words of essays not yet published in book form. “Another great book of essays from a writer who we wish were still alive to produce more copy” (National Review), And Yet... ranges from the literary to the political and is a banquet of entertaining and instructive delights, including essays on Orwell, Lermontov, Chesterton, Fleming, Naipaul, Rushdie, Orhan Pamuk, and Dickens, among others, as well as his laugh-out-loud self-mocking “makeover.” The range and quality of Hitchens’s essays transcend the particular occasions for which they were originally written, yielding “a bounty of famous scalps, thunder-blasted targets, and a few love letters from the notorious provocateur-in-chief’s erudite and scathing assessments of American culture” (Vanity Fair). Often prescient, always pugnacious, formidably learned, Hitchens was a polemicist for the ages. With this posthumous volume, he remains, “America’s foremost rhetorical pugilist” (The Village Voice).

The UK Pesticide Guide 2015-Martin A. Lainsbury 2015-02-01 The UK Pesticide Guide is the most authoritative source of information on pesticides and adjuvants for UK agriculture, horticulture, forestry and amenity use. Edited by a leading authority in the field, this new edition is thoroughly updated with new active ingredient listings, including some new combinations of existing actives. The 2015 edition of The UK Pesticide Guide has 13 new active ingredient profiles which helps to counter the 19 profiles that are no longer listed in the main section of the book. The additions include:
* six new herbicide profiles - bromoxynil octanoate + diflufenican, chlorotoluron + diflufenican + pendimethalin, clomazone + pendimethalin, 2,4-D + glyphosate, foramsulfuron + iodosulfuron-methyl-sodium and imazamox + metazachlor + quinmerac.
* six new fungicide profiles - Bacillus subtilis, azoxystrobin + tebuconazole, cyproconazole + penthiopyrad, difenconazole + paclobutrazole, difenconazole + mandipropamid, and dimethomorph + pyraclostrobin .
* one new insecticide - etofenprox for use against pollen beetle in oilseed rape. The profiles no longer included in the main section of the book are:
* seven herbicide profiles - bromoxynil + prosulfuron, chloridazon + ethofumesate, chlorpropham + metamitron, 2,4-D + dicamba + dichlorprop, iodosulfuron-methyl-sodium, picloram and thifensulfuron-methyl.
* eight fungicide profiles - Ampelomyces quisqualis strain AQ10, carbendazim + flusilazole, cymoxynil + propamocarb, epoxiconazole + kresoxim-methyl, epoxiconazole + kresoxim-methyl + pyreaclostrobin, fenpropimorph + kresoxim-methyl, fluazinam + metalaxyl-M and maneb .
* one PGR - prohexadione-calciuml.
* one soil fumegant - chloropicrin.
* one rodenticide - warfarin
Many products have been issued with revised expiry dates (some longer, some shorter) and hundreds of new EAMUs (Extensions of Approval for Minor Use) have been added which are vital for the production of the less mainstream crops.

Chainsaw Operator's Manual-ForestWorks 2009-10 The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

The Ultimate Betrayal-Kimberla Lawson Roby 2015-06-09 "Roby's highly engaging prose offers edgy characters and intense drama." - Booklist It's been four years since twenty-eight-year old Alicia Black, daughter of Reverend Curtis Black, divorced her second husband, the most womanizing and corrupt man she has ever known. Since then, Alicia has been dating her first husband, Phillip Sullivan, a wonderfully kind and true man of God whom she'd hurt terribly by cheating on him. Alicia has worked hard to prove herself worthy of his trust once more, and when he asks her to marry him again, she couldn't be happier. But Levi Cunningham, the drug dealer Alicia had an extramarital affair with, has just been released from prison, and he has completely turned his life around for the better. Still head-over-heels in love with Alicia, he will do whatever is necessary to win her back. Remarrying Phillip is the one thing Alicia has wanted for years, but she can't get Levi out of her mind. Alicia and Phillip aren't the only ones in the middle of a crisis. Their best friends, husband and wife Brad and Melanie Richardson, are struggling to keep their marriage together. Workaholic Brad is never home and has begun losing thousands on bad investments. Or so he says. Melanie, who is certain there's more to the story, is determined to get at the truth. Fresh betrayal leads to consequences no one saw coming, and Alicia's relationship with Phillip might not be the only thing that needs saving. But is it already too late? HER ITALIAN SOLDIER-Rebecca Winters 2017-05-19 Annabelle's life has become a dream. She was a nurse at a small hospital in America until the CEO of Amalfi, a

famous Italian car brand, became mesmerized by her beauty and asked her to become Amalfi's campaign girl. Annabelle was staying at a villa in Italy during the span of the photo shoot when Lucca, the CEO's son, suddenly appeared out of nowhere. Lucca's gray-green eyes and overwhelming aura stun Annabelle. Until, glaring down at her, Lucca accuses her of being his father's mistress!

Moments of Grace-Laurie Blefeld 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

Asking For Trouble-Kristina Lloyd 2010-03-30 Seduced into an underworld of kinky intrigue... When Beth Bradshaw - the manager of a fashionable bar in the seaside town of Brighton - starts flirting with the handsome Ilya, she becomes a player in a game based purely on sexual brinkmanship. The boundaries between fantasy and reality start to blur as their relationship takes on an increasingly reckless element. When Ilya's murky past catches up with him, he's determined to involve Beth. Unwilling to extricate herself from their addictive games, she finds herself being drawn deeper into the seedy underbelly of Brighton where things - including Ilya - are far more dangerous than she bargained for. A thrilling erotic romance from Kristina Lloyd, one of the leading names in erotic fiction.

Guide to the Training of Supervisors for Labour-based Road Construction and Maintenance-L. S. Karlsson 1981

Strategic & intensive workbook-Gillian Sturt 2007

Pell's Equation-Edward J. Barbeau 2006-05-04 Pell's equation is part of a central area of algebraic number theory that treats quadratic forms and the structure of the rings of integers in algebraic number fields. It is an ideal topic to lead college students, as well as some talented and motivated high school students, to a better appreciation of the power of mathematical technique. Even at the specific level of quadratic diophantine equations, there are unsolved problems, and the higher degree analogues of Pell's equation, particularly beyond the third, do not appear to have been well studied. In this focused exercise book, the topic is motivated and developed through sections of exercises which will allow the readers to recreate known theory and provide a focus for their algebraic practice. There are several explorations that encourage the reader to embark on their own research. A high school background in mathematics is all that is needed to get into this book, and teachers and others interested in mathematics who do not have (or have forgotten) a background in advanced mathematics may find that it is a suitable vehicle for keeping up an independent interest in the subject.

The eruption of Vesuvius-Pliny (the Younger.) 1937

Night of the Spadefoot Toads-Bill Harley 2013-07-15 This satisfying story explores the powerful impact of our actions on the world around us. When his father takes a new job in Massachusetts, Ben Moroney must leave behind his best friend Tony, a western banded gecko named Lenny, and worst of all, the Arizona desert home he has loved and explored. Ben's adjustment to his new environment is not going well until he unexpectedly finds a kindred spirit in his eccentric fifth-grade science teacher, Mrs Tibbets. She introduces him to the rare and elusive Eastern spadefoot toads that make their home on her rural property. When Ben discovers that Mrs. Tibbets's land may be sold to developers, he knows he has to do something. As Ben's obsession with saving the spadefoot toads' habitat grows, his schoolwork and his relationships with his family and new friends suffer. But just when it seems things can't get any worse, Ben finds a way to meet his responsibilities to the people around him and demonstrates the importance of even the smallest efforts to save the earth's rapidly disappearing habitats. With great environmental themes, this appealing middle grade novel comes from renowned storyteller and two-time Grammy Award winner Bill Harley.

Buckets and Belts-William Lafferty 2009 On a warm summer afternoon in 1927 off South Haven, Michigan, an old barge began taking on water. Helpless to staunch the flow and realizing their vessel would inevitably sink, the crew escaped to the accompanying tug, and watched as their ship plunged beneath Lake Michigan. Its loss unlamented, its career unheralded, it slumbered on the sandy bottom in the same obscurity that had shrouded its earlier work days as a steam freighter sailing the Great Lakes. However, the vessel s anonymity ended in 2006 when Michigan Shipwreck Research Associates located the sunken wreck of the Hennepin. It is now listed on the National Register of Historic Places as the world s first self-unloading vessel. Buckets and Belts: Evolution of the Great Lakes Self-Unloader traces more than a century of innovative technological advancements in the conveying of bulk cargos from the Hennepin s conversion to a self-unloader in 1902 to today s mammoth thousand-foot long lakers. Enhanced with the most comprehensive collection of self-unloader images ever published and dozens of underwater photographs, the book also explores the lives of the people who designed these vessels, the crewmen who sailed them and the self-unloaders that tragically went to the bottom, often taking entire crews with them."""
