Make Your Dreams Bigger Than Your

Memories-Terri Savelle Foy 2011-05-17 We all have a past. We've all made mistakes and done things we wish we hadn't done. We all wish we could just push a "delete" button on some of the choices we made yesterday and some of the

things we've experienced years ago. What's more, our past has a way of shaping who we are today. It's amazing how one single dramatic experience of rejection in childhood can last through adulthood and forever alter our self-image or how one bad decision in college can overshadow the dreams of the future, even God-given dreams. Terri Savelle Foy knows that past hurts (whether brought on by someone else or our choice to sin) can undermine us. Raised a

church kid, she knew all about sin but made the mistakes anyway. She learned firsthand that it's not until we truly get a revelation of who we are in Christ, and apply it to our lives, that our past can be erased and our dreams become real again. Terri shows how we can let go of our past, change our self-image and confidently move into a future with hope.

Jesus Freaks-DC Talk 2020-10-27 You may think of martyrs as those who gave their lives for the faith in the early church. But today, Christians around the world continue to stand boldly for Christ despite ongoing persecution. These are their stories. · Pastor Han--Stabbed to death by North Korean agents for sharing the gospel with North Koreans in China · Jean-Pierre Werner and Rodé Groenewald--Killed in a Taliban attack on their home in Afghanistan · Fatima Al-Mutairi--Killed by her brother after becoming a Christian in Saudi Arabia · Habila--Survived being shot in the face by Boko Haram militants after refusing to renounce Christ Persecution has always accompanied followers of Jesus, who invited His followers to come and die. Some were jeered at, and their backs were cut open with whips. Others were chained in prisons. Some died by stoning, some were sawed in half, and others were killed

with the sword. Some went about wearing skins of sheep and goats, destitute and oppressed and mistreated. They were too good for this world, wandering over deserts and mountains, hiding in caves and holes in the ground. --Hebrews 11:36-38 Faithful Christians around the world are still suffering and dying for the name of Christ. Their stories inspire and encourage each of us to follow Christ, no matter the cost.

Importing Faith-Glyn J. Ackerley 2016-07-28
Many twenty-first-century evangelical charismatics in Britain are looking for a faith that works. They want to experience the miraculous in terms of healings and Godsent financial provision. Many have left the mainstream churches to join independentcharismatic churches led by those who are perceived to have special insights and to teach principles that will help believers experience the miraculous. But all is not rosy in this promised paradise, and when people are not healed or they remain poor they are often told that it is because they did not have enough faith. This study discovers the origin of the principles that are taught by some charismatic leaders. Glyn Ackerley identifies them as the same ideas that are taught by the positive confession, health, wealth, and prosperity movement, originating in the United States. The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and pragmatism. These principles were imported into the UK through contact between British leaders

and those influenced by American word of faith teachers. Glyn Ackerley explains the persuasiveness of such teachers by examining case studies, suggesting their miracles may well have social and psychological explanations rather than divine origins.

Called to Battle Destined to Win-Jerry Savelle 2010-10-26 This book is a training manual for Christian soldiers, motivating believers to not give up and encouraging them that God's Word is true when it claims that He will come through for them as long as they do not quit. Dr. Jerry Savelle, who admits that he was once a quitter himself, writes candidly about his own experiences and challenges God's army to stand on the Word of God until victory is achieved.

God's Grace Fuels My Passion-Maureen Anderson 2017-03-31 The Law denies. Grace gives. The Law says, "Do." Grace says, "Done." The Law says, "Work to be holy." Grace

says, "You are holy." The Law condemns. Grace redeems. The Law kills. Grace gives life. The Law brings the curse. Grace brings the blessing. The Law reveals sin. Grace forgives sin. The Law was written on tablets of stone. Grace is written on the tablet of our hearts. The Law brought bondage. Grace brought freedom. Law is what you do. Grace is what Christ has done. Dr. Maureen Anderson takes you through an in-depth study of the life of grace. It's a life of the New Covenant of what Christ has already done and given to us through the death, burial and resurrection. It's a revealer of God's heart for all people. She shares numerous life-impacting personal testimonies she experienced as she received the revelations of grace that have brought her into the "fullness of His grace," a place where God wants all of His children to live. From the fullness of His grace, we have all received one blessing after another. (John 1:16 NIV84)

The Favor of God-Jerry Savelle 2012-08-15 The

grace of God is often referred to as unmerited favor. In fact, the very meaning of grace is favor. In this extraordinary book written at a time when people need God's favor more than ever, Jerry Savelle shows how the favor of God is not only available to the believer, but also promised. Drawing from his own experience and his deep knowledge of the Scriptures, Dr. Savelle explains how to actively walk and grow in divine favor, and by doing so enjoy the practical as well as the supernatural benefits for such a time as this, when many are living in fear and uncertainty. The Favor of God will not just inspire readers. By God's grace and favor, it will empower them.

Prayer of Petition-Jerry Savelle 2011-02-10 When God's people pray, they want answers. Yet many Christians don't know how to pray both effectively--in a way that gets results--and humbly--in a way that aligns with God's will. Prayer is a powerful weapon against the true adversaries of God's people: principalities, powers, dark rulers, and spiritual wickedness in high places. These forces are the perpetrators of

all kinds of evil: addiction, abuse, poverty, and spiritual bondage run rampant through families, churches, cities, and nations. What can believers do to battle these forces? They can pray. Not just any prayer, but the prayer of petition, known throughout Christian history as the prayer that gets results. Prayer of Petition explores this powerful prayer in detail, from the many examples found in God's Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication and examine the key components of preparation, thanksgiving, and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail--no matter what--will grow. As they learn to rest in His promises, peace will reign over their hearts through the coming revival.

Clean House-Tom Fitton 2016-08-30 From the New York Times bestselling author of The Corruption Chronicles comes a devastating expose of the scandals of Obama's second term. Judicial Watch President Tom Fitton reveals what the largest watchdog agency in America has uncovered in its battles against Obama secrecy. Clean House takes us through incriminating documents from the attack in Benghazi, Hillary Clinton's secret emails, the IRS scandal, and the Obamacare swindle. As the president of Judicial Watch, America's largest non-partisan government watchdog, Tom Fitton has investigated the Clinton, Bush, and Obama

administrations. Judicial Watch is the group that helped impeach Bill Clinton and took the Bush White House secrecy all the way up to the Supreme Court. Since the beginning of the Obama administration, this grassroots group has filed over 700 open records demands and dozens of lawsuits, including a successful fight over the secret Obama White House visitor logs. Americans are rightly worried they are losing their country. How did five Congressional committees miss the smoking gun on Benghazi? How did Hillary Clinton keep a secret email server quiet for years? Does the IRS audit you because of your politics? Did the first American target of Obama's drone program work for the US government? How did Congress commit fraud to get Obamacare taxpayer subsidies? In Clean House, Tom Fitton answers these questions and provides shocking evidence of the corruption endemic to the Obama White House.

Song Without Words-Juli Page Morgan

2017-10-30 Fantasies can come true. But they might kill you. Spencer Moretti knows what she wants—a spot on one of the big radio networks with her own interview show, and she's determined to get it. She has a knack for getting musicians to relax and blurt out things that make their agents clutch their heads whenever she interviews bands on the top rated radio station in New Orleans. When she's thrown—literally—into close proximity to Geoff Lane, she hears him utter a closely guarded secret that can shoot her right up to a network contract. If she can get him to let her interview him about it, that is. The former lead guitarist for Axis certainly didn't intend to reveal anything about his top secret project, but the fact that he's leaking his plans to a successful radio announcer flies right out of his head. That Cheshire Cat smile on her lips kinda makes him want to tell her anything she wants to hear. Once they're alone, though, things go sideways, and Spencer leaves without her interview and with her illusions shattered about a man she'd always admired. Even though they ended on a bad note, Geoff can't get Spencer out

of his mind, and returns to New Orleans to try to make things right. But someone doesn't want him anywhere near her, and they're going to great lengths to scare Geoff off. When it becomes clear Spencer's being stalked by a madman, can Geoff protect her, or will the killer silence her forever?

Girls with Swords-Lisa Bevere 2013-02-12

When women understand how God has empowered them, they can "wield the sword" of feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendecide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female

paradigm that will impact every area of a woman's self identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery--as enticing and strong as polished steel--to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong: Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God, and the Cross, Girls with Swords will teach you:

- How to speak the language of heaven on earth
- What it means to intercede
- What it means to carry your cross
- What it means to be discerning
- How to disarm the enemy
- Why women are the enemy's target—and why God needs them to be heroes

It's time to take up your sword and be a hero.

Lioness Arising-Lisa Bevere 2011-09-06 These people rise up like a lioness; like a majestic lion they stand. --Numbers 23:24 The lioness rises

from her slumber, a magnificent image of strength, passion, and beauty. Her mere presence commands the landscape, protects her young, and empowers the lion. In groups, lionesses become a creative and strategic force to be reckoned with, acting as one to change the world around them. You too are a lioness. Women, it's time to... AWAKEN... God did not save you to tame you. AWAKEN... to a life of fierce passion. AWAKEN... To dangerous prayer, stunning power, and teamed purpose. AWAKEN... Your response could very well change your world. Packed with remarkable insights from nature and a rich depth of biblical references to lionesses, *Lioness Arising* is a call for women to rise up in strength and numbers to change their world. Jesus is, after all, the lion of the Tribe of Judah. And we are his lioness arising.

The True Measure of a Woman-Lisa Bevere 2007 This re-released book deals with two basic questions: How do women fit in or relate to the world around them, and what is the measuring

stick of their worth? With the truths of this book in place, Christian women can remove the veil, find new freedom, and claim God as the Lord of their futures.

Kissed the Girls and Made Them Cry-Lisa Bevere 2002-04-14 How far can I go? It's the question of a generation wanting straight answers. Often the very questions we ask reveal our hearts better than anything else. In *Kissed the Girls and Made Them Cry*, Lisa Bevere tackles these tough issues by moving us from rules to relationship. There is no question we need a renewal of purity, but what we're doing is not working. How far can you go? Ask yourself: What do you ultimately want? Immediate and temporary gratification that wanes with the passage of time? Or passion and exclusive intimacy that endures and intensifies? God wants to move us beyond the restraint of the law (which arouses sin) and plant us into a garden of longing -- where our sexuality and passion is carefully guarded and cultivated until the time for its

awakening. This is a book for every daughter in waiting and every woman who has never known desire in her life and marriage.
