The Afghan-Frederick Forsyth 2006-08-22 A nearly impossible undercover mission may be the only chance to stop a terrorist attack in this action-packed thriller by #1 New York Times bestselling author Frederick Forsyth. When British and American intelligence discover an Al Qaeda operation in the works, they need a man on the inside to get ahead of a possible attack. They enlist Colonel Mike Martin, a hardened veteran, to go undercover. Colonel Martin prepares to pass himself off as former senior Taliban commander Izmat Khan and infiltrate the enemy. But nothing can prepare Martin for the dark and shifting world he is about to enter—or the terrible things he will find there.

State of Fear-Michael Crichton 2009-10-13 New York Times bestselling author Michael Crichton delivers another action-packed techno-thriller in State of Fear. When a group of eco-terrorists engage in a global conspiracy to generate weather-related natural disasters, it's up to environmental lawyer Peter Evans and his team to uncover the subterfuge. From Tokyo to Los Angeles, from Antarctica to the Solomon Islands, Michael Crichton mixes cutting edge science and action-packed adventure, leading readers on an edge-of-your-seat ride while offering up a thought-provoking commentary on the issue of global warming. A deftly-crafted novel, in true Crichton style, State of Fear is an exciting, stunning tale that not only entertains and educates, but will make you think.

Welcome to the Desert of the Real-Slavoj Zizek 2013-01-15 No Marketing Blurb

The Last Girl-Nadia Murad 2018-10 "A memoir of Nadia Murad's time as a captive of the Islamic State, her escape, and her human rights activism"--

Three Cups of Tea-Greg Mortenson 2006-03-02 The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, Three Cups of Tea combines adventure with a celebration of the humanitarian spirit.

Infinite Jest-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our

need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

26/11 Mumbai Attacked-Ashish Khetan 2009-02-01 Bringing together the careful research and analyses of renowned journalists and police officials, 26/11 Mumbai Attacked explicates the reality behind the brazen attack on India's sovereignty in November 2008 when ten heavily armed terrorists held an entire city to ransom by the sheer force of their zealotry. The scene-by-scene accounts, incisive analyses, and an exclusive interview with a LeT representative along with a description of its training camp in Muridke, Pakistan, reveal how the failure of Indian intelligence agencies landed Mumbai in the quagmire of terrorism. Paying homage to the brave security officers who lost their lives fighting the terrorists, 26/11 Mumbai Attacked reiterates the chilling reality that India is under grave threat and the clock is ticking before the next big attack.

End of History and the Last Man-Francis Fukuyama 2006-03-01 Ever since its first publication in 1992, The End of History and the Last Man has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, The End of History and the Last Man is a modern classic.

Rise and Kill First-Ronen Bergman 2019-07-09 NEW YORK TIMES BESTSELLER * The first definitive history of the Mossad, Shin Bet, and the IDF's targeted killing programs, hailed by The New York Times as "an exceptional work, a humane book about an incendiary subject." WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist * The New York Times Book Review * BBC History Magazine * Mother Jones * Kirkus Reviews The Talmud says: "If someone comes to kill you, rise up and kill him first." This instinct to take every measure, even the most aggressive, to defend the Jewish people is hardwired into Israel's DNA. From the very beginning of its statehood in 1948, protecting the nation from harm has been the responsibility of its intelligence community and armed services, and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats: Targeted assassinations have been used countless times, on enemies large and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military analyst Ronen Bergman--praised by David Remnick as "arguably [Israel's] best investigative reporter"--offers a riveting inside account of the targeted killing programs: their successes, their failures, and the moral and political price exacted on the men and women who approved and carried out the missions. Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government, including Prime Ministers Shimon Peres, Ehud Barak, Ariel Sharon, and Benjamin Netanyahu, as well as high-level figures in the country's military and intelligence services: the IDF (Israel Defense Forces), the Mossad (the world's most feared intelligence agency), Caesarea (a "Mossad within the Mossad" that carries out attacks on the highest-value targets), and the Shin Bet

(an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, Rise and Kill First brings us deep into the heart of Israel's most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel's targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. "A remarkable feat of fearless and responsible reporting . . . important, timely, and informative."--John le Carré

Religion of Peace?-Gregory M. Davis 2006 Virtually every contemporary Western leader has expressed the view that Islam is a peaceful religion and that those who commit violence in its name are fanatics who misinterpret its tenets. This widely circulated claim is false. Relying primarily on Islam's own sources, Religion of Peace? Islam's War Against the World demonstrates that Islam is a violent, expansionary ideology that seeks the subjugation and destruction of other faiths, cultures, and systems of government. Further, it shows that the jihadis that Westerners have been indoctrinated to believe are extremists, are actually in the mainstream.

Qaddafi's Green Book-Muammar Qaddafi 1988

The Age of Lone Wolf Terrorism-Mark S. Hamm 2017-05-09 The lethality of lone-wolf terrorism has reached an all-time high in the United States. Isolated individuals using firearms with high-capacity magazines are committing brutally efficient killings with the aim of terrorizing others, yet there is little consensus on what connects these crimes and the motivations behind them. In The Age of Lone Wolf Terrorism, terrorism experts Mark S. Hamm and Ramón Spaaij combine criminological theory with empirical and ethnographic research to map the pathways of lone-wolf radicalization, helping with the identification of suspected behaviors and recognizing patterns of indoctrination. Reviewing comprehensive data on these actors, including more than two hundred terrorist incidents, Hamm and Spaaij find that a combination of personal and political grievances lead lone wolves to befriend online sympathizers—whether jihadists, white supremacists, or other antigovernment extremists—and then announce their intent to commit terror when triggered. Hamm and Spaaij carefully distinguish between lone wolves and individuals radicalized within a group dynamic. This important difference is what makes this book such a significant manual for professionals seeking richer insight into the transformation of alienated individuals into armed warriors. Hamm and Spaaij conclude with an analysis of recent FBI sting operations designed to prevent lone-wolf terrorism in the United States, describing who gets targeted, strategies for luring suspects, and the ethics of arresting and prosecuting citizens.

The Lion's Game-Nelson DeMille 2000-09-01 NEW YORK TIMES BESTSELLER "A master at keeping the reader hanging on to see what happens next " - Associated Press "The Lion" will be landing. . . And at New York's JFK Airport, an elite American task force waits as the notorious Libyan terrorist prepares to defect to the West. Then, aboard Flight 175, something goes eerily, horribly wrong -- a mere prelude to the terror that is to come. Ex-NYPD cop, now Federal Task Force agent John Corey -- together with his formidable and beautiful new partner, Kate Mayfield -- will follow a trail of smoke and blood across the country. His quarry: a foe with the cunning of a lion and all the bloodlust of a man. To win a desperate game with no rules at all, Corey must invent a strategy that leaves no room for mistakes.

Howl-Allen Ginsberg 2006-10-10 First published in 1956, Allen Ginsberg's Howl is a prophetic masterpiece—an epic raging against dehumanizing society that overcame censorship trials and obscenity charges to become one of the most widely read poems of the century. This annotated version of Ginsberg's classic is the poet's own re-creation of the revolutionary work's composition process—as well as a treasure trove of anecdotes, an intimate look at the poet's writing techniques, and a veritable social history of the 1950s.

Let Me Say it Now-Rakesh Maria 2020

By Blood and Fire-Thurston Clarke 2016-01-12 On July 22, 1946 six members of the Irgun, a Jewish underground group headed by future Israeli Prime Minister Menachem Begin, entered the basement of Jerusalem's King David Hotel and planted seven milk churns filled with explosives underneath the wing housing the headquarters of the British Mandatory Government of Palestine. The ensuing explosion killed ninety-one Britons, Arabs, and Jews, in roughly equal numbers, at the time the greatest death toll in any single act of terrorism. The bombing was a pivotal moment in Israeli and Palestinian history, and was one of several dramatic attacks that eventually persuaded the British to leave Palestine. Clarke's minute-by-minute account of the attack is thrilling, and his narrative brings the perpetrators and victims vividly to life.

Kasab-Rommel Rodrigues 2010

Terrorism Act 2000- 2000 The Act reforms and extends existing counter-terrorist legislation, putting it largely on a permanent basis. Additional temporary measures for Northern Ireland are provided in the Act, time-limited to five years. Under this Act, counter-terrorist measures will now be applicable to all forms of terrorism: Irish, international and domestic.

Buddhism and Violence-International Association of Buddhist Studies. Conference 2006 Contributed articles presented at the 13th Conference of the International Association of Buddhist Studies held in Bangkok, Dec. 2002.

Inside Terrorism-Bruce Hoffman 2006 In this revised edition, the author analyzes the new adversaries, motivations, and tactics of global terrorism that have emerged in recent years, focusing specifically on how Al Qaeda has changed since 9/11; the reasons behind its resiliency, resonance, and longevity; and its successful use of the Internet and videotapes to build public support and gain new recruits. He broadens the discussion by evaluating the potential repercussions of the Iraqi insurgency, the use of suicide bombers, terrorist exploitation of new communications media, and the likelihood of a chemical, biological, radiological, or nuclear terrorist strike. Looking at the U.S., he reconsiders the Timothy McVeigh case and the threats posed by American Christian white supremacists and abortion opponents as well as those posed by militant environmentalists and animal rights activists. He argues that the attacks on the World Trade Center fundamentally transformed the West's view of the terrorist threat.

Storming the World Stage-Stephen Tankel 2014-01-16 Lashkar-e-Taiba is among the most powerful militants groups in South Asia and increasingly viewed as a global terrorist threat on par with al-Qaeda. Considered Pakistan's most powerful proxy against India, the group gained public prominence after its deadly ten-person suicide assault on Mumbai in November 2008. By the time the last Lashkar terrorist was dead after nearly 60 hours, it appeared the world was facing a new menace. Boasting transnational networks stretching across several continents, there has been serious debate since 9/11 of whether Lashkar is an al-Qaeda affiliate. The deliberate targeting of Westerners and Jews during the Mumbai attacks raised questions about whether Lashkar was moving deeper into al-Qaeda's orbit and perhaps on a trajectory to displace Osama bin Laden's network as the next major global jihadi threat. Lashkar's expansion has serious security implications for India, Pakistan, Europe and the United States and its activities threaten to damage US-Pakistan relations. Despite growing calls for action, Pakistan is yet to take any serious steps toward dismantling Lashkar for fear of drawing it further into the insurgency raging there and because of its continued utility against India. More than a militant outfit, Lashkar also controls a vast infrastructure that delivers necessary social services to the Pakistani populace, making it all the more difficult to dismantle. Storming the World Stage traces the evolution of Lashkar-e-Taiba over more than two decades to illustrate how the group grew so powerful and to assess the threat it poses to India, the West and to Pakistan itself. The first English-language book ever written about Lashkar, it draws on in-depth field research, including interviews with senior Lashkar leaders, rank-and-file members, and officials of the Pakistani security services--some of who have helped nurture the group over the years.

Islamism and Democracy in India-Irfan Ahmad 2009-09-21 Jamaat-e-Islami Hind is the most influential Islamist organization in India today. Founded in 1941 by Syed Abul Ala Maududi with the aim of spreading Islamic values in the subcontinent, Jamaat and its young offshoot, the Student Islamic Movement of India or SIMI, have been watched closely by Indian security services since September 11. In particular, SIMI has been accused of being behind terrorist bombings. This book is the first in-depth examination of India's Jamaat-e-Islami and SIMI, exploring political Islam's complex relationship with democracy and providing a rare window into the Islamist trajectory in a Muslim-minority context. Irfan Ahmad conducted extensive ethnographic fieldwork at a school in the town of Aligarh, among student activists at Aligarh Muslim University, at a madrasa in Azamgarh, and during Jamaat's participation in elections in 2002. He deftly traces Jamaat's changing position in relation to India's secular democracy and the group's gradual ideological shift toward religious pluralism and tolerance. Ahmad demonstrates how the rise of militant Hindu nationalism since the 1980s--evident in the destruction of the Babri mosque and widespread violence against Muslims--led to SIMI's radicalization, its rejection of pluralism, and its call for jihad. Islamism and Democracy in India argues that when secular democracy is responsive to the traditions and aspirations of its Muslim citizens, Muslims in turn embrace pluralism and democracy. But when democracy becomes majoritarian and exclusionary, Muslims turn radical.

The Siege-Adrian Levy 2013-11-07 The Siege by Adrian Levy & Cathy Scott-Clark - a searing account of the 2005 terrorist attacks at Mumbai's famous Taj Hotel On 26th November 2008 the Taj Mahal Palace hotel in Mumbai is besieged by Pakistani Islamists, armed with explosives and machine guns. For three days, guests and staff of the hotel are trapped as the terrorists run amok. On 29th November commandos launch Operation Black Tornado. The world holds its breath. The Siege is a helter-skelter thriller, threaded with powerful human stories. By turns tragic and heroic, the events are told through a cast of real characters, who were thrown together in the luxurious, century-old Taj: waiters, chefs, captains of industry, hedge funders, celebrities, tourists, policemen, special forces and terrorists. For the first time, this astonishing book takes us through the news footage and into the heart of the hotel. Each hostage has a choice: hide, run or fight. What would you do? This classic non-fiction account will grip readers of No Easy Day and No Way Down and will be enjoyed by fans of 'United 93' and 'The Towering Inferno'. Cathy Scott-Clark and Adrian Levy are the authors of four books, most recently the acclaimed The Meadow: Kashmir 1995 - Where the Terror Began (Harper Press UK; Penguin India). For 16 years they worked as foreign correspondents and investigative reporters for the Sunday Times and then the Guardian. In 2009, the One World Trust named them British Journalists of the Year, having won Foreign Correspondents of the Year in 2004. They co-produce documentaries for British and American television; their most recent for C4 Dispatches, on Pakistan's war on terror, City of Fear, was nominated for an award at the Edinburgh International Television Festival. Currently they are filming new projects in Myanmar and China.

Understanding Lone Wolf Terrorism-Ramon Spaaij 2011-12-08 What drives the lone wolf terrorist to commit mass violence? What are their ideologies and motivations? How do they plan and carry out their attacks, and who do they target? How can lone wolf terrorism be effectively countered? One of the first in-depth analyses of lone wolf terrorism, this publication sets out to answer these questions. Drawing on extensive international data and qualitative case studies, it examines the global patterns in and key features of lone wolf terrorism over the past four decades. This engaging text will be essential reading for students and researchers on terrorism and violent conflict and offers unique and invaluable insights to those working to prevent or minimize the effects of terrorism and political violence.

Black Friday-S Hussain Zaidi 2014-11-15 On the afternoon of 12 March 1993, a series of explosions cut a swathe of terror and destruction through Bombay. The toll: 257 killed or missing, 713 injured, and a city in a shambles. In Black Friday, S. Hussain Zaidi takes us into the heart of the conspiracy which spanned several countries and the massive investigation that ensued. A product of four years of meticulous research, the book gives chilling insights into the criminal mind, through interviews with close associates of Dawood Ibrahim and Tiger Memon, among others. The characters we meet are compelling: the terrorists, the corrupt law enforcement agents who abetted the plot, the investigators who would stop at nothing, and, above all, the people of Bombay of whose resilient spirit this book is a celebration. Riveting and incisive, Black Friday reveals the true dimensions of a horrific tragedy which shook the nation.

The 9/11 Commission Report-National Commission on Terrorist Attacks upon the United States 2004 Provides the final report of the 9/11 Commission detailing their findings on the September 11 terrorist attacks.

The God of Small Things-Arundhati Roy 2011-07-27 The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The Bloody Shirt-Stephen Budiansky 2008-01-24 A gripping look at terrorist violence during the Reconstruction era Between 1867, when the defeated South was forced to establish new state governments that fully represented both black and white citizens, and 1877, when the last of these governments was overthrown, more than three thousand African Americans and their white allies were killed by terrorist violence. Drawing on original letters and diaries as well as published racist diatribes of the time, acclaimed historian Stephen Budiansky concentrates his vivid, fast paced narrative on the efforts of five heroic men?two Union officers, a Confederate general, a Northern entrepreneur, and a former slave?who showed remarkable idealism and courage as they struggled to establish a ?New South? in the face of overwhelming hatred and organized resistance. The Bloody Shirt sheds new light on the violence, racism, division, and heroism of Reconstruction, a largely forgotten but epochal chapter in American history.

Security-Barry Buzan 1998 Two schools of thought now exist in security studies: traditionalists want to restrict the subject to politico-military issues; while wideners want to extend it to the economic, societal and environmental sectors. This book sets out a comprehensive statement of the new security studies, establishing the case for the broader agenda.

I Am Malala-Malala Yousafzai 2013-10-08 A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Soft Power-Joseph S. Nye, Jr. 2009-04-28 Joseph Nye coined the term "soft power" in the late 1980s. It is now used frequently—and often incorrectly—by political leaders, editorial writers, and academics around the world. So what is soft power? Soft power lies in the ability to attract and persuade. Whereas hard power—the ability to coerce—grows out of a country's military or economic might, soft power arises from the attractiveness of a country's culture, political ideals, and policies. Hard power remains crucial in a world of states trying to guard their independence and of non-state groups willing to turn to violence. It forms the core of the Bush administration's new national security strategy. But according to Nye, the neo-conservatives who advise the

president are making a major miscalculation: They focus too heavily on using America's military power to force other nations to do our will, and they pay too little heed to our soft power. It is soft power that will help prevent terrorists from recruiting supporters from among the moderate majority. And it is soft power that will help us deal with critical global issues that require multilateral cooperation among states. That is why it is so essential that America better understands and applies our soft power. This book is our guide.

Who Killed Karkare?-S.M. Mushrif Political violence, or terrorism, by State as well as by non- State actors has a long history in India. The allegation that sections of and individual Indian Muslims indulged in terrorism surfaced for the first time with the ascent of the Hindutva forces in mid-1990s and became state policy with the BJP's coming to power at the Centre. With even secular media joining the role as stenographers of security agencies, this became an accepted fact so much so that common Indians and even many Muslims started believing in this false propaganda. This book, by a former senior police officer, with a distinguished career that included unearthing the Telgi scam, peeps behind the propaganda screen, using material mostly in the public domain as well as his long police experience. It comes out with some startling facts and analysis, the first of its kind, to expose the real actors behind the so-called Islamic terrorism in India whose greatest feat was to murder the Maharashtra ATS chief Hemant Karkare who dared to expose these forces and paid with his life for his courage and commitment to truth. While unearthing the conspiracy behind the murder of Karkare, this book takes a hard look at some of the major incidents attributed to Islamic terrorism in India and finds them baseless.

Civil Disobedience-Henry David Thoreau 2016-03-17 A Book that Transformed America "Friendship is first, Friendship last. But it is equally impossible to forget our Friends, and to make them answer to our ideal."- Civil Disobedience, Henry David Thoreau Civil Disobedience was Thoreau's first published book and continues to transform American discourse. It is unusual for its symbolism and structure, its criticism of Christian institutions, and its many-layered storytelling. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes.

Freedom in the World-Raymond Duncan Gastil 1980-01-01 This yearbook marks the thirteenth year of the Comparative Survey of Freedom and is the seventh edition in the Freedom House series of annual publications. In addition to the ratings and tables of the Comparative Survey, this volume contains an extensive discussion of the criteria for and definitions of freedom. For the first time ever, the yearbook includes the checklist of political rights and civil liberties that forms the basis of the Survey's ratings system. Summary discussions of the status of freedom in each country and related territories are included. This edition also examines the continuing controversy over the role of and regulations appropriate to the news media in the ongoing struggle for greater political, social, and economic freedom. It reports the outcome of a Freedom House-sponsored conference on strengthening American support for liberalization in Eastern Europe. Finally, the volume includes an assessment of the American campaign for democracy in the world and considers the opportunities and strategies appropriate to it.

The Lessons of Mumbai-Angel Rabasa 2009-01-29 This study of the Mumbai, India, terrorist attack of November 2008 identifies the operational and tactical capabilities displayed by the terrorists and evaluates the response of the Indian security forces, with the goal of helping counterterrorism authorities in India and elsewhere to prepare for or counter future terrorist attacks on urban centers.

Routledge Handbook of Terrorism and Counterterrorism-Andrew Silke 2018-09-03 This new Handbook provides a comprehensive, state-of-the-art overview of current knowledge and debates on terrorism and counterterrorism, as well as providing a benchmark for future research. The attacks of 9/11 and the 'global war on terror' and its various legacies have dominated international politics in the opening decades of the 21st century. In response to the dramatic rise of terrorism, within the public eye and the academic world, the need for an accessible and comprehensive overview of these controversial issues remains profound. The Routledge Handbook of Terrorism and Counterterrorism seeks to fulfil this need. The volume is divided into two key parts: Part I: Terrorism: This section provides an overview of terrorism, covering the history of terrorism, its causes and characteristics, major tactics and strategies, major trends and critical contemporary issues such as radicalisation and cyber-terrorism. It concludes with a series of detailed case studies, including the IRA, Hamas and Islamic State. Part II: Counterterrorism: This part draws on the main themes and critical issues surrounding counterterrorism. It covers the major strategies and policies, key events and trends and the impact and effectiveness of different approaches. This section also concludes with a series of case studies focused on major counterterrorism campaigns. This book will be of great interest to all students of terrorism and counterterrorism, political violence, counter-insurgency, criminology, war and conflict studies, security studies and IR more generally.

India-Indira Gandhi 1975

The Essential Guide to Bollywood-Subhash K. Jha 2005 Genre-wise synopses of selected Hindi motion pictures from 1949 to present.

Sanjay Dutt-Yasser Usman 2018-02 India's top Bollywood biographer tells the uncensored story of Sanjay's roller-coaster life from the tragic deaths of both his mother and his first wife to the time he smuggled heroin into the US and from the painful rehab he had to go through to his curious phone calls to gangster Chhota Shakeel.

The Creature from Jekyll Island-G. Edward Griffin 1995
