Terryworld is a collection of photographs by Terry Richardson. It was first published in 2012, and has since become a cult classic. The book features a variety of images, including portraits of celebrities, models, and friends. The book is known for its candid and often explicit nature, and has been the subject of controversy and legal action. The book is available in both print and digital formats.

Terry world-Terry Richardson 2004 Who took 1970’s porn esthetic and made it fashion chic? Terry Richardson. Who made the trailer park trendy and the tractor hat de rigueur? Richardson again. Who’s equally at home in Vogue, Harper’s Bazaar, Purple and Vice? Our boy Terry. Who uses his fashion money to fund an X-rated website? Yes, Richardson. And who can’t resist getting his clothes off and jumping in front of his own lens? Well, that would be Terry Richardson as well. Porn stars, supermodels, transexuals, hillbillies, friends, pets, and celebrities all do for his lens what they’ll do for no other. And if anyone ever wonders why they did it, just blame it on Terryworld, where taboos are null and void, and fashion finds sex a perfect fit. The Artist’s Edition comes in a clear plastic case with 4 personally selected limited-edition Terryprints and a Terrybear (a little teddy bear with Terry’s face on it).

Terryworld-Terry Ridchardson 2012 A collection of photographs by Terry Richardson

Terrywood-Terry Richardson 2012 In support of his wildly successful ‘Terrywood’, which opened in Los Angeles earlier in the year, Terry Richardson releases a comprehensive monograph fully detailing the exhibition. The volume consists of the artwork in the exhibition, documentation of the year-long process of building the exhibition and coverage of the opening night which has already attained legendary status as one the most important happenings in art since the turn of the century.

SON OF BOB-Terry Richardson 1999-01-20 British Fashion photographer Terry Richardson produces strikingly beautiful images that sit on the fine line between art and commercialism; he is known for his work in W, The Face, ID and Vogue Hommes International. Son of Bob, however, explores some edgier and raunchier territory. It is a gleeful show of sex, travelogue scenes of an American underbelly, amorous masked and caped crusaders, professional wrestling fans, Harmony Korine, genitalia, food, and assorted candid portraits. These are party nights and hangover mornings, an extreme display of confrontational horseplay and rude humor. Citing ‘America’s Funniest Home Videos’, the amateur shots in Hustler, and archival photos from family albums and portraits from school or Woolworth’s as influences, Richardson combines these opposing sensibilities into a provocative documentary approach that will indeed push some buttons, in addition to finding a ravenous audience.

World Music-Terry E. Miller 2013-07-24 Authors Terry E. Miller and Andrew Shahriari take students around the world to experience the diversity of musical expression. World Music: A Global Journey, now in its third edition, is known for its breadth in surveying the world’s major cultures in a systematic study of world music within a strong pedagogical framework. As one prepares for any travel, each chapter starts with background preparation, reviewing the historical, cultural, and musical overview of the region. Visits to multiple ‘sites’ within a region provide in-depth studies of varied musical traditions. Music analysis begins with an experimental “first impression” of the music, followed by an “aural analysis” of the sound and prominent musical elements. Finally, students are invited to consider the cultural connections that give the music its meaning and life. Features of the Third Edition Over 3 hours of diverse musical examples, with a third audio CD of new musical examples Listening Guides analyze the various pieces of music with some presented in an interactive format online Biographical highlights of performers and ethnomusicologists updated and new ones added Numerous pedagogical aids, including “On Your Own Time” and “Explore More” sidebars, and “Questions to Consider” Popular music incorporated with the traditional Dynamic companion web site hosts new Interactive Listening Guides, plus many resources for student and instructor. Built to serve online courses. The CD set is available separately (ISBN 978-0-415-89402-9) or with its Value Pack and book (ISBN 978 0415- 80823-1). For eBook users, MP3 files for the accompanying audio files are available only with the Value Pack of eBook & MP3 files (ISBN 978-0-203-15298-0). Please find instructions on how to obtain the audio files in the contents section of the eBook.

Psychedelic Sex-Dian Hanson 2015 Take a trip back to 1970 with Dian Hanson and meet the grooviest flower power hotties in all hippiedom. With natural free spirits meeting mind-bending graphics, these hilarious images recall a brief golden age of publishing, when mensq; magazines tried to recreate the wonders of young lust on LSD.

Street Boners-Gavin McInnes 2010-05-27 Fifteen years after founding Vice, Gavin McInnes has poured his creative juices into a new endeavor: StreetCarnage.com. Growing in size and influence at an alarming rate, the site’s main feature is the new and improved version of Gavin’s “DOs and DON’Ts,” now tantalizingly called Street Boners. These Boners have been polished and compounded into a book that takes the best of the site and adds hundreds more gems! With 1,312 photos, hilarious captions, and a harsh new rating system-from one to 10 kitten faces-STREET BONERS makes sure no glorious fashion statement goes unnoticed. Innocent citizens are either damned to hell or relentlessly exalted into heaven. Chloe Sevigny, Debbie Harry, Fred Armisen, and Tim & Eric also contribute their scathing wit to the book, and the end result is a New York fashion bible no bathroom book without.

The Best Is Yet to Come-Ada Bligaard Søby 2019-04-02 A book as vivid as life itself and as weird as the love story it tells

The 13-Story Treehouse-Andy Griffiths 2013-04-16 Andy and Terry live in a treehouse. But it’s not just any old treehouse, it’s the most amazing treehouse in the world! This treehouse has thirteen stories, a bowling alley, a see-through swimming pool, a secret underground laboratory, and a marshmallow machine that follows you around and automatically shoots marshmallows into your mouth whenever you are hungry. Life would be perfect for Andy and Terry if it wasn’t for the fact that they have to write their next book, which is almost impossible because there are just so many distractions, including thirteen flying cats, giant bananas, mermaids, a sea monsters pretending to be mermaids, enormous gorillas, and dangerous burp gas-bubblegum bubbles! Join the fun with The 13-Story Treehouse by Andy Griffiths and Terry Denton. This title has Common Core connections.

Kibosh-Terry Richardson 2005-01 Explicit, raunchy, funny, disturbing, absorbing, titillating, scandalous are all words that could describe this project. It’s a black bag, containing a black book, which contains 358 X-rated color images. Please be forewarned, this material is ADULT in nature and is not for general consumption. Also available in a limited edition.

Lady Gaga X Terry Richardson-Terry Richardson 2011 Over 350 colour and black & white photographs taken during the 10 month period in which Richardson followed Lady Gaga and had complete access to her everyday life, with nothing being off limits.

The Mark of the New World Order-Terry L. Cook 2009-06-01 Terry Cook is here to tell you that the transition to the New World Order is nearly complete. This book reveals the hidden agenda of the groups involved, as well as the technology for accomplishing it. Mr. Cook’s assertions are well documented. He addresses not only the technical, but the political and prophetical, as well. He is recognized as a leading authority on identity methods and biochip implants.

Tom Poulton-Jamie Maclean 2006 Reproduces explicitly erotic drawings dating from approximately 1948-1963, showing a wide variety of sexual activities.

The Death of Cool-Gavin McInnes 2013-07-16 The cartoonist from the award-winning comic Pervert and creator of Vice magazine unabashedly recounts such outrageous misadventures as his streaking through New York City during the 2003 blackout and his invention of the “Warhol Children.” 50,000 first printing.

Terry Richardson’s Diary 2010-Terry Richardson 2013 Since September 2009, the legendary fashion and portrait photographer Terry Richardson has been keeping an online photo diary, posting a new picture every day. These posts typically contain informal portraits of whoever Richardson is shooting, or whichever celebrity, artist or other public figure has dropped by the studio—either for an actual sitting or perhaps to discuss an upcoming project. Also posted to the site are examples of Richardson’s street photography—snaps of street signs, buildings and sights around New York. As with Andy Warhol’s Time Capsules, the accumulation of these candid, off-the-cuff photographs over the past three years has amounted to a social map of the most interesting people on the fashion, art, political and music scenes. Equal parts red carpet and intimate salon, the parade of people who enter Richardson’s studio is bogging in its diversity. Amongst the thousands featured in Terry Richardson’s Diary 2010 are Barack Obama, Lady Gaga, Rihanna, Angela Westberry, Frank Ocean, Richard Prince, Ryan McGinley, Donatella Versace and Kate Moss. This tantalizing array of images also provides a sense of how many of our media and pop culture images are shaped by the creative energies of one talented individual. The book is presented in a yearbook format to accentuate its origins as a daily practice. Known for his punk-rock sensibility and willingness to take a fresh, edgy approach to portrait, fashion and documentary photography, Terry Richardson (born 1965) boasts a list of fashion clients including Marc Jacobs, Tom Ford and Yves Saint Laurent. His editorial work has been featured in publications ranging from Rolling Stone to Vogue and Vice.

Fractured-Teri Terry 2013-10-17 Perfect for fans of the dystopian settings of The Hunger Games and Divergent, the gripping second installment of the Slated trilogy is a riveting psychological thriller set in a future where violent teens have their memory erased as an alternative to jail. Kyla has been Slated—her personality wiped blank, her memories lost to her forever. Or so she thought. She shouldn’t be able to remember anything. But increasingly she can—and she’s discovering that there are a lot of dark secrets locked away in her memories. When a mysterious man from her past comes back into her life and wants her help, she thinks she’s on her way to finding the truth. But this new knowledge lands her in the middle of a tug-of-war between two dangerous adversaries, and despite her misgivings about both of them, she’s forced to choose a side for her own protection.

Robert Crumb’s Sex Obsessions-Dian Hanson 2019-05-04 Somehow the Devil Got Me! The filthiest fruit of Robert Crumb’s fertile imagination From the very beginning, even before the sexual revolution made Robert Crumb the world’s most celebrated underground cartoonist, he felt compelled to commit his sexual fantasies to paper. Once upon a time, he’d destroy them, fearful of others discovering his quirky tastes. Then he found that baring his soul provided a sort of therapy, and he has memorialized his every desire since. Crumb’s personal selection of these works first appeared in 2007 in a gorgeous, but pricey, TASCHEN Collector’s Edition, complete with slipcase, lithographic print, and many strips hand-colored by Crumb himself. Now, this compact edition is offering the same high-quality obsession at a bargain price! This compendium includes the strips My Troubles With Women, If I Were a King, A Bitchin’ Bod, and How To Have Fun With a Strong Girl, as well as 60 single page drawings. Recurring motifs include big strong girls, artistic wimps triumphantly subduing said girls, cavewomen, Yetis, vulture demonesses, bitter little guys, and did we mention big strong girls?

New York Rock-Steven Blush 2016-10-04 As a city that represents endless possibilities, New York has been the setting for the dawning of new movements, styles, and genres. In the 20th century, the birth of Rock represented a connection between art forms and the city’s socioeconomic, racial, and sexual variants. New York Rock breaks down the rock scene’s half-Century connection to New York and analyzes its distinct subculture through the prism of influences, crosscurrents, and psychoactive distractions. Over 1,500 musicians, clubs, and labels held roles in the making of New York Rock, and it’s their contributions that created this iconic art form. A compilation of firsthand narratives about each genre of rock, from Punk New Wave and Glitter Rock to New York Hardcore and Indie rock, New York Rock is the ultimate illustrated account of Rock’s role in New York City.

Vanessa Del Rio-Dian Hanson 2007 Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America’s first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they’d give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America’s first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts

across all ethnic boundaries. What her fans don’t know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa’s own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can’t do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren’t already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector’s Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb * Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!! *?She is a person I dreamed about having sex with. She should go in the hall of fame for best sex scenes in the ‘80s.?-Snoop Dogg

Terry’s Dumb Dot Story-Andy Griffiths 2018-02-22 Meet Andy and Terry. They make books together in the world’s coolest treehouse! Sharing Research Data to Improve Public Health in Africa-National Academies of Sciences, Engineering, and Medicine 2015-09-18 Sharing research data on public health issues can promote expanded scientific inquiry and has the potential to advance improvements in public health. Although sharing data is the norm in some research fields, sharing of data in public health is not as firmly established. In March 2015, the National Research Council organized an international conference in Stellenbosch, South Africa, to explore the benefits of and barriers to sharing research data within the African context. The workshop brought together public health researchers and epidemiologists primarily from the African continent, along with selected international experts, to talk about the benefits and challenges of sharing data to improve public health, and to discuss potential actions to guide future work related to public health research data sharing. Sharing Research Data to Improve Public Health in Africa summarizes the presentations and discussions from this workshop.

Contemporary Harmony-Ludmila Ulehla 2015-11 Contemporary Harmony: Romanticism Through the Twelve-Tone Row is by Ludmila Ulehla. The understanding of the musical techniques of composition cannot be reduced to a handbook of simplified rules. Music is complex and ever changing. It is the purpose of this book to trace the path of musical growth from the late Romantic period to the serial techniques of the contemporary composer. Through the detailed analysis of the musical characteristics that dominate a specific style of writing, a graduated plan is organized and presented here in the form of explanations and exercises. A new analytical method substitutes for the diatonic figured bass and makes exercises and the analysis of non-diatonic literature more manageable. The explanations describing each technique are thorough. They are designed to help the teacher and the student see the many extenuating circumstances that affect a particular analytical decision. More important than a dogmatic decision on a particular key center or a root tone, for example, is the understanding of why such an underdeterminate condition may exist.

I hate your blog! :-)-Michael Phillips 2010-06-15 One or two things needed to be salvaged from the defunct blog, so I pulled all the old posts up, went through them and thought, "Hmm, some of this doesn't suck - why not salvage a bunch of this stuff?" So this well thought-out volume came to be. It's best not to think too much, and this pocket-sized bottle rocket is proof of that. If I'd a thought about it, I never woulda done it, as Bob Dylan said.

Hawk Fae-Terry Spear 2014-01-31 Sometimes doing a good deed can prove to be a disaster. Ena, dragon shifter fae, discovers as she must flee her home. But her staff chooses to go with her and deal with the dangers to reach the safety of the hawk fae kingdom, if the king there welcomes them. The human, Brett, promises to help her escape the marriage to the despicable dragon fae prince, rather than return home to his Earth world. And now all the dragon shifter fae are at risk of having to face the dragon fae king's wrath. Esmeralda, the hawk fae king's sister has been imprisoned by the griffin on their island for half her life and she finally makes her escape, only she gets herself into even more trouble. Against her wishes, Ena must forsake Brett on the journey, and he finds his world is turned upside down once again and now he has to survive the life or death trials of the phantom fae kingdom. Urban fantasy teen romance.

Spellmonger-Terry Lee Mancour 2016-01-06 Minalan gave up a promising career as a professional warmage to live the quiet life of a village spellmonger in the remote mountain valley of Boval. It was a peaceful, beautiful little fief, far from the dangerous feudal petty squabbles of the Five Duchies, on the world of Callidore. There were cows. Lots of cows. And cheese. For six months things went well: he found a quaint little shop, befriended the local lord, the village folk loved him, he found a sharp young apprentice to help out, and best yet, he met a comely young widow with the prettiest eyes . . . Then one night Minalan is forced to pick up his mageblade again to defend his adopted home from the vanguard of an army of goblins - gurvani, they call themselves - bent on a genocidal crusade against all mankind. And that was the good news. The bad news was that their shamans were armed with more magical power than has been seen since the days of the ancient Imperial Magocracy - and their leader, a mysterious, vengeful force of hate and dark magic, is headed directly to Boval Vale, along with a massive invading army of gurvani. The good people of Boval and their spellmonger have only one choice: to hole up in the over-sized Boval Castle and hope they can endure a siege against hundreds of thousands of goblins. When the people look to him for hope, Minalan does his best, but the odds are depressing: there are multitudes of goblins, and they want Boval Vale as a staging ground for a vengeful invasion of the whole Five Duchies. Add to his troubles a jealous rival mage, a motley band of mercenaries, a delusional liege lord who insists victory is at hand despite the hordes at his door, a dour castellan, a moody, pregnant girlfriend and a catty ex-girlfriend who specializes in sex magic - all trapped in a stinking, besieged castle with no hope of rescue, and you'll understand why Minalan is willing to take his chances with the goblins. All that stands between the gurvani horde and the people of the Five Duchies is one tired, overwhelmed baker's son who wanted nothing more than to be a simple village spellmonger!

Shattered-Teri Terry 2014-05-01 The stunning conclusion to the Slated trilogy, for fans of Unwind and Legend ! Kyla is in danger from both the government Lords who erased her memory and the terrorists who tried to use her. So now she’s on the run. Sporting a new identity and desperate to fill in the blank spaces of her life pre-Slating, Kyla heads to a remote mountain town to try to reunite with the birth mother she was kidnapped from as a child. There she is hoping all the pieces of her life will come together and she can finally take charge of her own future. But even in the idyllic wilderness and the heart of her original family, Kyla realizes there is no escape from the oppressive Lords. Someone close to her may be one of them, and even more frighteningly, her birth mother has been keeping secrets of her own. In this stunning series finale, Kyla finally finds out who she really is—and the road to this discovery, and to deciding who she wants to become, is full of dangerous twists and turns that will keep readers riveted.

My Buddy. World War II Laid Bare-Dian Hanson 2018 From the Michael Stokes Collection, this extraordinary publication reveals a side of World War II never before made public: young Allied troops discharging tension in boisterous, naked play and intimate “buddy” friendships. A remarkable, often tender, lineup of personal photographs and vintage military ephemera, these images offer a whole new perspective on masculinity and the wartime relationships between men. Every harrowing day for a serviceman during World War II was potentially his last. To help bolster troops against the horrors of combat, commanders encouraged them to form tight “buddy” relationships for emotional support. Many war buddies, together every moment, and depending on each other to survive, formed intimate friendships. When they weren’t fighting side by side, they relaxed together, discharging tension in boisterous–sometimes naked–play. The full extent of nude horseplay among men during World War II can’t be known, as cameras were rare and film hard to process, but some men did document this unprecedented male bonding in small, anonymous photos mostly kept hidden away until their deaths. Los Angeles photographer Michael Stokes has spent years searching out these photos and building an archive of over 500 images. His collection includes soldiers and sailors from Australia, England, France, Italy, Poland, Russia, and the USA, cavorting on the sand in the South Pacific, shivering in the snow of Eastern Europe, posing solo in the barracks, and in great happy groups just about everywhere. These images show men barely out of boyhood, at their physical peak, responding to the reality of battle by living each day to the fullest–a side of the war never before made public. The introduction is by Scotty Bowers, an 89-year-old ex-Marine and author of Full Service, the best-selling memoir of his sexual exploits in Hollywood, and how the war forever altered his attitudes about gay and straight, just as these photos may alter our attitudes about World War II and war buddies

Frank Stella-Andrianna Campbell 2018-01-12 A timely monograph, covering the landmark work and latest career developments of one of today’s greatest living artists. “Stella now occupies a position similar to that of Kandinsky late in his career. He changed the history of art with his early work, but kept on moving.” —The New York Times Initially influenced by the work of the abstract expressionists, Frank Stella subsequently rejected the movement in favour of more radical forms. In 1960 Stella presented his first series of aluminium paintings at Leo Castelli, causing the first upset in a long history of experiments that saw him tackling minimalism, post-painterly abstraction, and public art. This book examines Stella’s life and career in the context of the contemporary art world, featuring works from his recent blockbuster museum exhibitions as well as landmark works from throughout his career.

Life of David Hockney-Catherine Cusset 2019 With clear, vivid prose, this meticulously researched novel draws an intimate, moving portrait of the most famous living English painter. Born in 1937 in a small town in the north of England, David Hockney had to fight to become an artist. After leaving his home in Bradford for the Royal College of Art in London, his career flourished, but he continued to struggle with a sense of not belonging, because of his homosexuality, which had yet to be decriminalized, and his inclination for a figurative style of art not sufficiently “contemporary” to be valued. Trips to New York and California—where he would live for many years and paint his iconic swimming pools—introduced him to new scenes and new loves, beginning a journey that would take him through the fraught years of the AIDS epidemic. A compelling hybrid of novel and biography, Life of David Hockney offers an insightful overview of a painter whose art is as accessible as it is compelling, and whose passion to create has never been deterred by heartbreak or illness or loss.

Stories We Could Tell-Tony Parsons 2010-01-28 A book about growing up and being young, about sex and love and rock and roll, about the dreams of youth colliding head-on with the grown-up world.

Unwerth, Story of Olga, Art A-Ellen Von Unwerth 2012-12-29 Although not by any means your traditional fairy tale, Ellen von Unwerth’s The Passion of Olga is a fairy tale nonetheless. The photographic narrative traces the journey of a young widow, Olga, who after the death of her wealthy, elde

Sometimes the Magic Works-Terry Brooks 2004 Filled with practical advice for anyone interested in creative writing, the best-selling author of the Shannara series offers a firsthand glimpse of the rewards and requirements of the writing life, in alternating chapters that address his experiences in the publishing world along with discussions on different aspects of the writing craft—research, plotting, characterization, and more. Reprint.

Slated-Teri Terry 2013-01-24 The gripping first book of a rebellious trilogy about truth, power, and impossible choices, perfect for fans of Divergent and Legend. Kyla’s memory has been erased, her personality wiped blank, her memories lost forever. She’s been slated. The government claims that she was a terrorist and they are giving her a second chance—if she plays by their rules. But scenes from the past haunt her as she tries to adjust to a new life, family, and school, leaving her unsettled. Who is she really? And if only criminals are meant to be slated, why are so many other teens disappearing? As she and her friend Ben seek answers, Kyla is torn between the need to know more and her instinct for self-preservation. “A suspenseful page-turner with a highly sympathetic and strong female protagonist. . . . Will have readers waiting eagerly for a sequel.” —Booklist “Excellent. . . . Kyla’s erased memory works wonderfully as a storytelling device.” —i9

The Black Elfstone-Terry Brooks 2017-06-13 The first book of the triumphant and epic four-part conclusion to the Shannara series, from one of the all-time masters of fantasy. Across the Four Lands, peace has reigned for generations. But now, in the far north, an unknown enemy is massing. More troubling than the carnage is the strange and wondrous power wielded by the attackers—a breed of magic unfamiliar even to the Druid order. Fearing the worst, the High Druid dispatches a diplomatic party under the protection of the order’s sworn guardian, Dar Leah, to confront the mysterious, encroaching force and discover its purpose. But another crucial journey is being undertaken. Exiled onetime High Druid Drisker Arc has been living in quiet seclusion, far from the politics and power struggles of his former life, until two brutal attacks by would-be assassins force him to seek out an infamous murder-for-hire guild—and find the hidden enemy who has marked him for death. At his side is Tarsha Kaynin, a young woman gifted with the wishsong and eager to be schooled in its formidable power by a master. She, too, is pursuing a mission: to locate her wayward brother, whose own magic has driven him to deadly madness and kindled his rage for vengeance. . . .against his sister. In their darkest hours, facing dangerous adversaries, the lives and quests of Dar Leah, Drisker Arc, and Tarsha Kaynin will be inextricably drawn together. And the challenges each confronts will have resounding consequences for the future of the Four Lands. Praise for The Black Elfstone “Epic scope, heroic characters, and so much heart. . . . proof that the Shannara series can still reach new heights.”—Tordotcom “A strong opening book . . . The Four Lands face a new threat.”—Fantasy Book Review “Fantastic. . . . one of the best books in this saga.”—SFRevu

The New Erotic Photography-Dian Hanson 2017 International sex appeal A fresh collection of today's most titillating nudes from around the world Following on the heels of our highly popular New Erotic Photography, this second installment features entirely new photographs by 50 of the world's most intriguing talents. Of the included photographers, 35 are new to this edition; these new photographers, including Eric Bonzi, Cyril Torrent, Jo Schwab, Yossi Loloï, Tomohide Ikeya, Frederic Fontenoy, Andrew Pashis, Jan Hronsky, and Chase Lisbon are drawn from Belgium, Switzerland, Germany, Italy, Japan, France, Russia, the Czech Republic, and the U.S., respectively, making this a solidly international title. There are also several outstanding women introduced in this edition, including erotic film star Kimberly Kane, Colombian expat Alejandra Guerrero, skate-boarder and heavy metal rocker Magdalena Wosinska, self-portraitist Erica Simone, and our own favorite cougar, Liz Earls. The images in New Erotic Photography 2 document the changing photographic media as much as the evolution of erotic photography since the previous book was published. Over half the photographers now use digital exclusively, and those who do use film are likely to use Polaroid, and primitive cameras like the Lomo and Holga, experimenting with film for its special effects rather than using it as an every day medium.

The Big Butt Book 3D-Dian Hanson 2014 Sweet cheeks in 3-D: A cornucopia of delectably rounded, fully dimensional derrières The Kama Sutra gives detailed instructions on how to spank it. Contemporary Italians touch it for luck before placing a bet. Americans are having it cosmetically enhanced at rates approaching those for breast enlargement surgery. The female butt, tush, culo, or derrière has always inspired awe, fantasy, and slavish devotion, and now its yours - in state-of-the-art 3-D! Sound like a crazy dream? Well, TASCHEN is where dreams come true, so get ready for The Big Butt Book 3-D with a stunning full lenticular cover. As with The Big Book of Breasts 3-D and The Big Penis Book 3-D, original black and white photos have been converted to anaglyph 3-D by Jon Schmitzer and The Brain Factory. Jon and his team apply their technique so subtly that images are minimally affected on the page, but really pop when you put on the red and blue anaglyph glasses included with this volume. Formerly 2-D butts now leap into three dimensional fullness, bulging off the page and wagging seductively as you move from left to right. The book contains 110 of these masterpieces, many not seen in the original Big Butt Book. See cover model Alexis Texas as nature intended! Thrill to Coco in the round! When they see The Big Butt Book 3-D even breast men will agree with Sir Mix-a-Lot. "My anaconda don't want none, unless you've got buns, hun." Text in English, French, and German
